The Report:

Peru 2014 Oxford Business Group, 2013-12-19 Over the past decade Peru has seen a period of transformative growth effectively positioning it as one of the leading economic performers in Latin America Posting growth rates in excess of 6% from 2010 12 the economy expanded by a further 5 1% in the first half of 2013 A major metals and minerals exporter with a burgeoning agricultural sector Peru's rapid economic growth has been the result of elevated global demand for commodities and key exports as well as prudent fiscal planning and the expansion of non primary sectors With an investor friendly legal framework Peru has become a prime destination for foreign direct investment and was recently ranked the second best country for doing business in Latin America by the World Bank Despite ongoing social conflict related to extractive industries and a sizeable infrastructure gap Peru's stable macroeconomic environment and its efforts to diversify and guard against price volatility should ensure continued growth for this Andean economy
