Dark Feasts Ramsey Campbell, 1987-01-01 **Ramsey Campbell** Keith M. C. O'Sullivan, 2023-05-15 This book pays overdue attention to the British writer Ramsey Campbell a key figure in the post 1970s boom in Anglo American horror fiction Despite a huge output and receiving every accolade within his field over a long career Campbell has not yet been accorded anything like the wider critical recognition given to his contemporary Stephen King This study concentrates also on Campbell's neglected novels and novellas rather than the short stories for which he has been better known The book Ramsey Campbell establishes the author's unique prose style denoted by a haunted self consciousness about the act of writing and role of readership and his distinctive mediation of the Gothic tradition religiously agnostic politically liberal and ethically humane For the first time Campbell's works are interpreted in the contexts of trends in postmodernist and posthumanist thought and compared explicitly to King's and his contribution to both Gothic studies and wider contemporary literature is appraised Ramsey Campbell, Probably Ramsey Campbell, 2002-09 Ramsey Campbell Probably collects 140 000 words of Campbell's non fiction from the last three decades Subjects range from the perils of authorship to the delights of amateur fiction and film from drugs to nightmares from the Highgate vampire to the Dracula Society's marching song *Alone with the Horrors* Ramsey Campbell, 1994 Thirty nine chronologically arranged horror stories spanning thirty years of the author's career **Ramsey Campbell** Gary William Crawford, 2013-12-05 As the author of more than two dozen novels and hundreds of short stories as well as essays reviews and columns Ramsey Campbell is one of the most prolific writers in the field of horror literature The consistently high level of quality in his work has resulted in every major award that weird fiction has to offer including the Grand Master Award of the World Horror Convention the Lifetime Achievement Award of the Horror Writers Association and the Living Legend Award of the International Horror Guild Strangely though relatively little criticism has been written about Campbell In Ramsey Campbell Critical Essays on the Modern Master of Horror Gary William Crawford has assembled a collection of articles that examine the work of one of weird fiction's most revered writers These essays look at a number of elements that characterize Campbell's stories and novels including comparisons to H P Lovecraft who was an early inspiration Campbell's modern variations of Gothic fiction his concept of evil religious subtext in his fiction and how adversities Campbell has faced have shaped his life and his work In all these essays pay homage to Campbell's painstaking craftsmanship and show that there is much to be mined in his fiction Because Campbell is so important in the genre of horror literature this book serves as a much needed affirmation of his work It will be of interest to scholars of supernatural fiction in general but also to devoted fans of this major figure in weird fiction Secret Story Ramsey Campbell, 2025-03-14 You're an underpaid civil servant who dreams of chucking it all to become a famous author You live with your overbearing mother who always seems to interrupt when you're writing a key scene Who always wants to know why you haven't brought home a nice girl What you really are is a writer A brilliant one too though like any writer you
