1492 Columbus gave the men of San Salvador shiny glass beads and their women gave his crew syphilis. Who took advantage of whom? If not for the defeat of the Spanish Armada in 1588, America today would likely be Spanish and Catholic. Early English explorers were pirates of the Caribbean and early American colonists were illegal immigrants. The first English colony in America was a lot like Gonzalvo de Ovando and the husband of Pocahontas was responsible for lung cancer and slavery in the south. More recently, Teddy Roosevelt and his Rough Riders had to run up San Juan Hill; someone forgot to transport their horses. So how did America become the greatest nation on earth? Read my book **Timelines of African-American History** by Thomas Dale Cowan, Jack Maguire, 1994. Living History Museums by Scott Magelssen, 2007-02-01. Living history museums are cultural institutions that merge historical exhibits with live costumed performance. While unique and vitally important, they often compromise historical accuracy and authenticity for the sake of tourism and entertainment value. Many also pursue methods of performance and historiography that are becoming increasingly outdated. *Living History Museums: Undoing History Through Performance* examines the performance practices used by institutions such as Plimoth

Plantation and Colonial Williamsburg and offers a new genealogy of living history museum performance in the U S and Europe Currently existing scholarship on living history museums addresses the subject from a museum studies or anthropology perspective Author Scott Magelssen however approaches the material from a background in theatre history and theory analyzing living history museums using postmodern methodology Considering performance as a method for the study of history and exploring emergent non traditional theatrical practices the book offers suggestions for performance in an increasingly postmodern landscape Concluding with an international listing of living history institutions and a complete list of sources Living History Museums is a valuable resource for students and teachers of theatre and performance studies cultural studies folklore popular culture American studies and museum studies
