Random Penn Jillette,2022-10-11 From Penn Jillette of the legendary magic duo Penn Teller a rollicking crime caper that will bend your mind like a spoon Penn Jillette is an atheist triple goddamned lunatic and his book is a glorious Las Vegas lunatic paean to chance and adventure a page turning scabrous hilarious ride into randomness Neil Gaiman Jillette s latest novel Random is about a young man who inherits his father s crushing debt to a loan shark and turns to dice and other dangerous measures to dig himself out That the dice bring him luck sends him a new philosophy of leaving decisions both big and small up to chance New York Times Two weeks before his twenty first birthday Las Vegas native Bobby Ingersoll finds out he s inherited a crushing gambling debt from his scumbag father The debt is owed to an even scummier bag named Fraser Ruphart who oversees his bottom rung criminal empire from the classy adjacent Trump International Hotel Bobby s prospects of paying off the note which comes due the day he turns twenty one are about as dim as the sign on the hotel s facade The two weeks pass in the blink of a snake eye but before Bobby s luck runs out he stumbles upon enough cash to pay off Ruphart and change his family s fortune More importantly he finds himself with a new for lack of a better word faith Bobby does not consign his big break to a higher power what Penn Jillette hero ever could Instead he devises and devotes himself to Random a philosophy where his life choices are based entirely on the roll of his lucky dice What follows is a rollicking exploration into not so much what defines us as what divines us when we give over every decision from what to eat to whom to marry to how or when to die to the random fall of two numbered cubes Random combines the intellectual curiosity of Richard Dawkins with the humor and grit of an Elmore Leonard antihero Jillette s up on his luck Ingersoll is the character we need to help us navigate the chaos of the post truth era Well unless his roll runs cold

Spectacular Sins John Piper,2008-09-12 John Piper delivers powerful biblical reassurances to bolster readers trust in the sovereignty of God and the supremacy of Christ when evil and tragedy come If God governs the sinful acts of men then does the devastation caused by those terrorists dictators murderers cheats and abusers discredit Jesus words All authority in heaven and earth belongs to me When heart rending news comes of the latest accident illness or natural disaster can we really believe that in Jesus all things hold together Though God has not

answered all of our questions about sin and suffering there are things he wants us to know things he declares in his Word such as what is at stake in the spectacular sins of others and the horrible tragedies of this life their global purpose both historically and today and what these events say to us personally As John Piper works through these biblical truths this book will bolster readers trust in the utter sovereignty of God such that they will be less timid in their witness and less afraid of whatever may come It is also a joy infused declaration that because everything occurs through Christ and for Christ and his glory they are forever secure in him

The Spirit World of Demons Veronica Johnson, 2018-02-23 This book is based upon the true discernment I have encountered with demonic dwellings my steps with God and past relations of the heart I am not a psychologist I am a person who has experienced these behavior types Not to use the solemn Rite of Exorcism for entertainment of course any exposure can endanger future satanic attacks on victims who suffer This book is to give people who struggle with demon possession an open dialog I hope the people struggling can reprogram the conscious and subconscious with true discernment and overcome affliction addiction Changing the way the mind thinks is a step by step process and it is possible to start today My experiences empower me to impact diligently while walking through spiritual warfare Most people get overwhelmed when talking about evil spirits also known as enemies So much so no one came close to the raw edge I have been able to capture in this book No one wants to love enemies once they have overstepped boundaries through the affair of matters dear to the heart The religious talk about the mental disorder without acknowledging effective usage of the sixth sense is needed to truly believe Many people suffer from this disorder inside and outside the church And don't acknowledge it as trial tests which leaves their sense of a higher authority surrounded by fears This will allow people suffering to face fears and acknowledge things they cannot gracefully explain God would rather you forgive the enemy seventy times seven and he doesn't intend for anyone to avoid reconciliation with enemies Because he doesn't believe anyone's pure intent should become distorted My prior book *The Unlimited Resurrection* formed the basis of this book To avoid murmuring over spiritual warfare I wanted to face the enemy's reconciliation by bringing it to a general perspective My central message is derived from having an effect and reason for topics of interest This message usually affects people in multiple areas of life daily and reveals how it is possible to visualize things differently Once you have researched current topics to find an effect and reason for writing a book the next option is reviewing how people from the past dealt with the same issues Along with acknowledging God's plan and purpose for your life Most times you can start with a testimony to guide you through the emotions of writing

Defrocking the Devil Thomas J. Boynton, 2011-03 *Defrocking the Devil* Theology of Fear is a brief history of the last 2 500 years of monotheism using the actual words of the men who claimed to know the devil figure most intimately From Peter to Constantine to Martin Luther to our present day theologians these men and hundreds more included in this book supported the early Church fathers arguments for the inclusion of Satan into Christian polemics A dualism appeared in the story of Jesus immediately after his crucifixion Instead of tirelessly

promoting the Christian message of love thy neighbor as thyself a new spiritual equation of hate torture and murder entered the theological landscape Defrocking the Devil is an attempt to puncture the myths surrounding the words evil devil and hell Two thousand years after the birth of Christianity and fourteen hundred years after the start of Islam hundreds of millions of people currently living on this planet are in real fear of one day ending up down in the devil s lair How did Christian belief in Jesus become conditional upon the existence of fictional beings and wicked subterranean places Defrocking the Devil seeks to illuminate the darkness and empower all people of faith to move beyond theologies that advocate violence into the spiritual equation There have been many books written about this dark side of Western theology but few historians do much more than recount its bloody genocidal history Defrocking the Devil actively seeks to tear down such religious dogmas by using the very words of those who extolled such a hurtful anti Christian philosophy

Why Should Jews Survive? Michael Goldberg, 1996-10-10 In the fifty years since the Holocaust the Jewish People have felt one overriding concern survival The ghosts of the murdered six million along with the living generation of survivors have called out the unifying chant never again In 1948 this concern found a second focus in the state of Israel the ultimate refuge of Jews worldwide But Rabbi Michael Goldberg finds that these twin pillars of Jewish identity are brittle and have already begun to crumble they will not be enough to support or sustain the next generation The time has come to answer the question Why should Jews survive In this provocative book Goldberg launches a bold attack on what he calls the Holocaust cult challenging Jews to return to a deeper richer sense of purpose He argues that this cult with shrines like the U S

Holocaust Museum high priests such as Elie Wiesel and rites like UJA death camp pilgrimages is deeply destructive of Jewish identity As the current master story of Judaism Goldberg writes the Holocaust has been used to depict Jews as uniquely victimized in human history transforming them from God's chosen to those who manage to survive despite God's silent complicity in their persecution This Holocaust centered survival for survival's sake Judaism is already showing its emptiness Goldberg contends the generation that survived Hitler and founded Israel is dying and the new generation seems adrift for instance one recent survey predicts that 70% of American Jewish marriages will be intermarriages by the turn of the century Jews need positive reasons for remaining Jewish he argues they need to return to the Exodus as their master story the story of God leading the Jews out of slavery and making with them an eternal covenant that gave the Jews a unique place in God's plan The Jews should survive Goldberg concludes because they are the linchpin in God's redemption of the world Rabbi Michael Goldberg has long wrestled with the crisis of identity facing today's Jewish community In *Why Should Jews Survive* he provides a provocative and powerfully argued challenge to the dominant theme of modern Jewish thought Leap Beyond Blue Sky Veil Sally Eccleston, 2011-10-05 Based on the autobiography of Sarah Winnemucca a Nevadan Paiute of the 19th century Silver Rush era this historical work of fiction vividly reenacts events of Sarah's life highlighting the slaughter of twenty three members of her tribe by a U.S. cavalry The deaths of two dear sisters in the massacre are the pivotal event that transforms Sarah into a fiery advocate for the Paiutes' right to their land and preservation of their ancient culture Woven into the narrative is the present day fictional character of Edwina Winnemucca an aged university professor medicine woman shaman and niece of Sarah Winnemucca whose supernatural activities are fraught with drama Edwina lectures her class on Sarah's remarkable life her endearing personality and her fight to save her tribe from starvation and mistreatment A prophecy of reincarnation heralded by Edwina's shaman father is fulfilled Edwina befriends three of her students who possess remarkable similarities to Sarah and her sisters The girls experience a series of harrowing trials at the hands of their lecherous landlord while Edwina has visions of grave danger The exhilarating climax of the story displays Edwina's amazing powers *The Ghost Host: Episode 2* DelSheree Gladden, 2023-12-27 It's bad enough that Echo already has ghosts haunting her 24/7 now her past mistakes want to join the fun and come back to haunt her too Moving to Georgia was supposed to be a fresh start So far it's turned out to be a fresh start at more chaos After battling Devourers for the soul of her childhood friend Echo learns the depth of what her abilities might cost her She's always been pretty good at failure which is concerning when the fate of the spiritual world is suddenly in your hands If that isn't enough pressure already Echo's personal life is a mess She and Malachi are both freaked out by her ability to control him and have no idea whether their relationship was ever based on more than their bond as Medium and Keeper Kyran is keeping his distance from both of them to keep from doing something stupid things are still tense with her parents college is proving more than she bargained for Agent Morton is doubting her stability and brings in his son Griffin to help keep her grounded which only causes more problems between her

Thelander, 2023-06-20 This book explores common challenges and joys in the life of faith by means of a guided tour through the seasons of the church year Issues such as complacency despair unanswered prayer evil suffering discerning God's will adversity achieving inner peace and more are explored from the pastoral perspective of a shepherd's heart Those new to the church year will discover its blessings and benefits while those more familiar with its rhythms will gain a deeper appreciation of its formative power Readers are invited on a journey of discovery where following Christ assumes a concrete shape in the midst of life's practical concerns all within a thoroughly biblical framework **Midnight Secrets** Lisa Marie Rice, 2015-06-08 When danger lurks look to the MEN OF MIDNIGHT dark dangerous and willing to do anything to protect the women they love Former navy SEAL Joe Harris nearly died twice on a medevac helo after being blown up by an IED He's not moving too great these days but if there was ever a woman designed to jump start a man's hormones it would be his new neighbor Meeting Isabel loving Isabel brought Joe back to life Isabel Delvaux came from one of America's foremost political dynasties until the greatest terrorist attack since 9/11 killed her entire family She barely survived the Washington Massacre only to become prey for rabid reporters Fleeing to Portland and changing her name was a way out a way to start over The only way She knows she's safe with Joe Harris Not just because he's big and strong not just because he's part of a security team that obliterates threats on the regular but because he's been to the abyss and back But as they help each other heal through talk through touch through spectacular sex the past comes back to play When Isabel's memory starts to return and a mysterious stranger sends Joe emails indicating Isabel is in imminent danger he'll do anything to help her uncover the truth Even if that truth is the most terrifying thing of all 80 000 words

Jewish Writers of Latin America Darrell B. Lockhart, 2013-08-21 Jewish writing has only recently begun to be recognized as a major cultural phenomenon in Latin American literature Nevertheless the majority of students and even Latin American literary specialists remain uninformed about this significant body of writing This Dictionary is the first comprehensive bibliographical and critical source book on Latin American Jewish literature It represents the research efforts of 50 scholars from the United States Latin America and Israel who are dedicated to the advancement of Latin American Jewish studies An introduction by the editor is followed by entries on 118 authors that provide both biographical information and a critical summary of works Argentina Brazil and Mexico home to the largest Jewish communities in Latin America are the countries with the greatest representation but there are essays on writers from Venezuela Chile Uruguay Peru Colombia Costa Rica and Cuba In the Fellowship of His Suffering Elahe Hessamfar, 2015-02-26 Schizophrenia is often considered

one of the most destructive forms of mental illness Elahe Hessamfar's personal experience with her daughter's illness has led her to ask some pressing and significant questions about the cause and nature of schizophrenia and the Church's role in its treatment With a candid and revealing look at the history of mental illness *In the Fellowship of His Suffering* describes schizophrenia as a variation of human expression Hessamfar uses a deeply theological rather than pathological approach to interpret the schizophrenic experience and the effect it has on both the patients and their families Effectively drawing on the Bible as a source of knowledge for understanding mental illness she offers a reflective yet innovative view of whether the Church could or should intervene in such encounters and what such an intervention might look like Hessamfar's comprehensive work will provoke powerful responses from anyone interested in the prominent social issue of mental illness Her portrayal of the raging debate between treating insanity either pastorally or medically will enthrall readers be they Christians medical students or those in the field of psychiatry and social sciences **Useless Beauty** Robert K.

Johnston, 2011-12-16 A wise old adage of faith states Read the newspaper in one hand and the Bible in the other The slogan is an invitation to notice the complex engagement of faith and culture In *Useless Beauty* Johnston takes up the interface of faith and culture with specificity and immediacy His discussion permits an instructive dialogue whereby we read Ecclesiastes differently and we read contemporary film with fresh eyes of faith Neither the text nor the films can be easily dismissed as absurd Both are thickened and we are driven deeper in our self discernment by the process Johnston's alertness and

urbaneness constitute a model for faith that is not simplistic and a model for culture that is not thin or transparent Walter Brueggemann Columbia Theological Seminary Johnston reads Ecclesiastes with a rich postmodern hermeneutic not the more common simplistic linear moralistic or formulaic approach that threatens to drown Bible readers in the shallows His reading has great value for people seeking new ways to find meaning in Scripture Personally it helped me weave my life experience with my viewing of film and my reading of the Bible and it left me feeling alive and energized Brian McLaren pastor crcc.org and author anewkindofchristian.com Johnston weaves the wisdom of Ecclesiastes into contemporary narrative films and vice versa merging theology and film into a smart and insightful dialogue to enhance understanding of both William D Romanowski Calvin College author of Eyes Wide Open Some of the most helpful contemporary interpretation of Scripture comes from those who look at the text with eyes other than those of the biblical scholar Johnston's interpretation of Ecclesiastes through the lens of film is an excellent example The text comes to life in the interaction he creates with the narratives of major contemporary movies They in turn are better understood by the careful theological interpretation Johnston gives them through the lens of Ecclesiastes The possibilities for preaching and teaching are obvious Patrick O Miller Princeton Theological Seminary This book is a well informed and sensitive example of how in our uncertain and contradictory times to engage film and Scripture without denying the integrity of either It is highly recommended Rikk E Watts Regent College

The Other Side of the Altar Paul E. Dinter, 2010-06-29 An ex priest shares the true story of his difficult celibate life and his perspective on the abuses resulting from the Catholic Church's stance on sex In all the coverage of the priestly sexual abuse scandal in the Catholic Church one story has been left untold the story of the little understood nearly secret everyday lives of Catholic priests in America even as one priestly sexual predation after another has come to light In telling his story Paul E Dinter reveals the lives of a generation of priests that spanned two very different eras These priests entered the ministry in the 1960s when Catholic seminaries were full of young men inspired by both the Church's ancient faith and the Second Vatican Council's promises of renewal But by the early 1970s the priesthood and the celibate fraternity it depended upon proved quite different from what the Council had promised American society had changed too particularly in the area of sexuality As a result there emerged a clerical subculture of denial and duplicity which all but guaranteed that the sexual abuse of children by priests would be routinely covered up by the Church's bishops Dinter now married with two stepdaughters left the priesthood in 1994 over the issue of celibacy but not before having occasion to reflect on the whole range of priestly struggles with sexual life in general in Rome and rural England on an Ivy League campus and in parish rectories of the archdiocese of New York His candid and affecting account explains that celibacy sexuality and power among the clergy have long been intertwined and suggests how much must change if the Catholic Church hopes to regain the trust of its people

The Hardened Heart and Tragic Finitude Dan O. Via, 2012-11-05 This book has two main theses First for the biblical Christian doctrine of sin the root of the human problem is hardness of heart the corruption of the core self of the

seat of understanding and will On the other hand for an important strand of Greek tragedy the root of human harm doing is the nonculpable blindness and anxiety of finitude that despite the initial nonculpability lead to evil and suffering The Hardened Heart shows that these two different interpretations of human existence are amenable to a degree of synthesis that leads to this conclusion hardness of heart and our ordinary finitude together collude to cause sin in its fullness The second thesis of this volume is that exegetical studies disclose a deconstructive strand in certain biblical texts that represents the finite world that God created as a source of distress and harm doing in something like the tragic sense This subdominant deconstructive position challenges the dominant biblical vision in which the creation came forth from God s creative word as good without qualification
