**The Dismantling of Public Education and How to Stop It** Elaine B. Johnson, 2003-11-19 Today many public schools especially rural and inner city areas are so fraught with violence so impersonal and so poorly funded that they drive students away rather than inspire them to learn Most people do not realize that the school system they knew when they were growing up is now in the process of being supplanted with alternative approaches to education Nor do they understand the grave consequences for their children who face the demise of America's one system of public education for all Author Elaine Johnson examines the state of education in the twenty first century using science rather than business as a more reliable and positive guide for education The application of scientific principles of interrelatedness self organization and differentiation to leadership and teaching transforms schools into places that improve school performance Chapters describe practical approaches to teaching math science and foreign languages The Dismantling of Public Education analyzes The influence on education of the business model calling for growth Competition Measurable targets Accountability This book also discusses the effects on young people of immense high schools charter schools and statewide standardized achievement tests

**Zero World** Jason M. Hough, 2016-05-31 Published in rapid succession Jason M Hough's first three novels The Darwin Elevator The Exodus Towers and The Plague Forge earned mountains of praise and comparisons to such authors as James S A Corey and John Scalzi Now Hough returns with a riveting near future spy thriller that combines the adrenaline of a high octane James Bond adventure with mind blowing sci fi speculations worthy of Christopher Nolan's Inception Technologically enhanced superspy Peter Caswell has been dispatched on a top secret assignment unlike any he's ever faced A spaceship that vanished years ago has been found along with the bodies of its murdered crew save one Peter's mission is to find the missing crew member who fled through what appears to be a tear in the fabric of space Beyond this mysterious doorway lies an even more confounding reality a world that seems to be Earth's twin Peter discovers that this mirrored world is indeed different from his home and far more dangerous Cut off from all support and with only days to complete his operation Peter must track his quarry alone on an alien world But he's unprepared for what awaits on the planet's surface where his skills will be put to the ultimate test and everything he knows about the universe will be challenged in ways he never could have imagined Includes the complete bonus novella The Dire Earth a prequel to the bestselling sci fi adventure The Darwin Elevator Praise for Zero World This is sci fi writing at its best I couldn't put the book down Felicia Day author of You're Never Weird on the Internet Almost An enjoyable read Expect minor whiplash from the frenetic pace Entertainment Weekly A science fiction novel that smashes The Bourne Identity together with The End of Eternity to create a thrilling action rampage that confirms Hough as an important new voice in genre fiction Publishers Weekly starred review No one has created a multiverse like Jason Hough does in Zero World Imagine Eternal Sunshine of the Spotless Mind meets James Bond New York Journal of Books A fast paced cinematic novel full of action Story
