Rape Of Creativity:

The Rape of Creativity Jake Chapman, Dinos Chapman, Modern Art Oxford, 2003 **Rape and Ravishment in the Literature of Medieval England** Corinne J. Saunders, 2001 The study then considers the treatment of rape and ravishment in a range of literary genres in hagiography female saints are repeatedly threatened with rape the stories of Lucretia and Helen underpin legendary history the acts of rape and ravishment challenge and shape chivalric order in romance otherworldly rapes result in the conception of romance heroes The final two chapters examine the ways in which Malory and Chaucer write and rewrite rape and ravishment **BOOK JACKET** **Jake & Dinos Chapman** Jake Chapman, Dinos Chapman, Suzanne Cotter, 2003 Published to accompany the exhibition held at Modern Art Oxford 12 April 8 June 2003

Iconography Helene E. Roberts, 2013-09-05 First published in 1998 Routledge is an imprint of Taylor Francis an informa company **Lustmord** Maria Tatar, 2020-07-21 In a book that confronts our society's obsession with sexual violence Maria Tatar seeks the meaning behind one of the most disturbing images of twentieth century Western culture the violated female corpse This image is so prevalent in painting literature film and most recently in mass media that we rarely question what is at stake in its representation Tatar however challenges us to consider what is taking place both artistically and socially in the construction and circulation of scenes depicting sexual murder In examining images of sexual murder Lustmord she produces a riveting study of how art and murder have intersected in the sexual politics of culture from Weimar Germany to the present Tatar focuses attention on the politically turbulent Weimar Republic often viewed as the birthplace of a transgressive avant garde modernism where representations of female sexual mutilation abound Here a revealing episode in the gender politics of cultural production unfolds as male artists and writers working in a society consumed by fear of outside threats envision

women as enemies that can be contained and mastered through transcendent artistic expression Not only does Tatar show that male artists openly identified with real life sexual murderers George Grosz posed as Jack the Ripper in a photograph where his model and future wife was the target of his knife but she also reveals the ways in which victims were disavowed and erased Tatar first analyzes actual cases of sexual murder that aroused wide public interest in Weimar Germany She then considers how the representation of murdered women in visual and literary works functions as a strategy for managing social and sexual anxieties and shows how violence against women can be linked to the war trauma to urban pathologies and to the politics of cultural production and biological reproduction In exploring the complex relationship between victim and agent in cases of sexual murder Tatar explains how the roles came to be destabilized and reversed turning the perpetrator of criminal deeds into a defenseless victim of seductive evil Throughout the West today the creation of similar ideological constructions still occurs in societies that have only recently begun to validate the voices of its victims Maria Tatar's book opens up an important discussion for readers seeking to understand the forces behind sexual violence and its portrayal in the cultural media throughout this century

Routledge Handbook of Public Criminologies Kathryn Henne, Rita Shah, 2020-01-16
Featuring contributions from scholars from across the globe Routledge Handbook of Public Criminologies is a comprehensive resource that addresses the challenges related to public conversations around crime and policy In an era of fake news misguided rhetoric about immigrants and refugees and efforts to toughen criminal laws criminologists seeking to engage publicly around crime and policy arguably face an uphill battle This handbook outlines the foundations of and developments in public criminology underscoring the need to not only understand earlier ideas and debates but also how scholars pursue public facing work through various approaches The first of its kind this collection captures diverse and critical perspectives on the practices and challenges of actually doing public criminology The book presents real world examples that help readers better understand the nature of public criminological work as well as the structural and institutional barriers and enablers of engaging wider audiences Contributors address policies around crime and crime control media landscapes and changing political dynamics In examining attempts to bridge the gaps between scholarship activism and outreach the essays featured here capture important tensions related to inequality and social difference including the ways in which criminology can be complicit in perpetuating inequitable practices and structures and how public criminology aims but sometimes fails to address them The depth and breadth of material in the book will appeal to a wide range of academics students and practitioners It is an important resource for early career researchers more established scholars and professionals with accessible content that can also be used in upper level undergraduate classes Chapter 5 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

students law librarians and associate members of the American Bar Association **Elizabeth I** Susan Frye,1996-11-28 Elizabeth I is perhaps the most visible woman in early modern Europe yet little attention has been paid to what she said about the difficulties of constructing her power in a patriarchal society This revisionist study examines her struggle for authority through the representation of her female body Based on a variety of extant historical and literary materials Frye's interpretation focuses on three representational crises spaced fifteen years apart the London coronation of 1559 the Kenilworth entertainments of 1575 and the publication of *The Faerie Queene* in 1590 In ways which varied with social class and historical circumstance the London merchants the members of the Protestant faction courtly artists and artful courtiers all sought to stabilize their own gendered identities by constructing the queen within the natural definitions of the feminine as passive and weak Elizabeth fought back acting as a discursive agent by crossing and thus disrupting these definitions She and those closely identified with her interests evolved a number of strategies through which to express her political control in terms of the ownership of her body including her elaborate iconography and a mythic biography upon which most accounts of Elizabeth's life have been based The more authoritative her image became the more vigorously it was contested in a process which this study examines and consciously perpetuates *Sexual Harassment* V. P. Argos,1999 The topic of sexual harassment is a real threat to society in spite of its downplaying by a large segment of society including the 42nd President of the United States This book presents analyses designed to help shed light on it and a bibliography sorted for ease of use

How Women Became Poets Emily Hauser,2025-11-04 How the idea of the author was born in the battleground of gender When Sappho sang her songs the only word that existed to describe a poet was a male one *aidos* or singer man The most famous woman poet of ancient Greece whose craft was one of words had no words with which to talk about who she was and what she did In *How Women Became Poets* Emily Hauser rewrites the story of Greek literature as one of gender arguing that the ways the Greeks talked about their identity as poets constructed played with and broke down gender expectations that literature was for men alone Bringing together recent studies in ancient authorship gender and performativity Hauser offers a new history of classical literature that redefines the canon as a constant struggle to be heard through and sometimes despite gender Women as Virginia Woolf recognized need rooms of their own in order to write So too have women writers through history needed a name to describe what it is they do Hauser traces the invention of that name in ancient Greece exploring the archaeology of the gendering of the poet She follows ancient Greek poets philosophers and historians as they developed and debated the vocabulary for authorship on the battleground of gender building up and reinforcing the word for male poet then in response creating a language with which to describe women who write Crucially Hauser reinserts women into the traditionally all male canon of Greek literature arguing for the centrality of their role in shaping ideas around authorship and literary production **Jake & Dinos Chapman** ,2003 Cet ouvrage a t publi l occasion de l exposition de Jake Dinos Chapman Modern Art Oxford du 12 avril au 8 juin 2003 **Artbibliographies Modern** ,2004 **Crafting**

Contemporary Documentaries and Docuseries for Global Screens Phoebe Hart, 2024-01-08 This book explores the industrial and personal challenges faced by filmmakers in bringing the current worldwide craze for documentary films and series to screens small and large Utilizing a number of case studies drawn from in depth interviews with acclaimed documentary directors producers and screenwriters from around the world Phoebe Hart offers a thematic analysis to reveal the risks and opportunities for practitioners Hart examines these themes in the context of current scholarship to provide insight into the modes and methods of making factual screen content as she engages with the documentary form and the marking of it acquisition of mastery and inspiration and specific rituals and habits of practice From the unique vantage point of being a pracademic that is being both a successful documentary filmmaker and a recognized screen researcher and teacher Hart ultimately argues for greater support of filmmakers and pursuit of a deeper understanding of creative processes
