Rape and Its Victims United States. Department of Justice,1975 Document Retrieval Index ,1976 **Rape** Julie A. Allison, Lawrence S. Wrightsman,1993-06-21 Rape The Misunderstood Crime is an excellent resource for professionals and students of psychology sociology education social work criminal justice and law who seek to dispel rape myths and wish to better understand the nature and dynamics of both the rapist and the victim **All in the Family** Robert O. Self,2012-09-18 This text is a synthetic history of the last half of the American century Self shows how movements on the liberal left that demanded equal rights and greater government protection inadvertently elicited conservative activism that sought to restore the nuclear family under the rubric of family values *Rape and Ravishment in the Literature of Medieval England* Corinne J. Saunders,2001 The study then considers the treatment of rape and ravishment in a range of literary genres in hagiography female saints are repeatedly threatened with rape the stories of Lucretia and Helen underpin legendary history the acts of rape and ravishment challenge and shape chivalric order in romance otherworldly rapes result in the conception of romance heroes The final two chapters examine the ways in which Malory and Chaucer write and rewrite rape and ravishment BOOK JACKET **#MeToo and the Politics of Social Change** Bianca Fileborn,Rachel Loney-Howes,2019-09-16 MeToo has sparked a global re emergence of sexual violence activism and politics This edited collection uses the MeToo movement as a starting point for interrogating contemporary debates in anti sexual violence activism and justice seeking It draws together 19 accessible chapters from academics practitioners and sexual violence activists across the globe to provide diverse critical and nuanced perspectives on the broader implications of the movement It taps into wider conversations about the nature history and complexities of anti rape and anti sexual harassment politics including the limitations of the movement including in the global South It features both internationally recognised and emerging academics from across the fields of criminology media and communications film studies gender and queer studies and law and will appeal broadly to the academic community activists and beyond **The Sexual Abuse of Children** William T. O'Donohue,James H. Geer,2014-01-02 The sexual abuse of children is now seen as an enormous problem first because there is an increasing awareness that it is more prevalent than previously thought and second because it gives rise to so many complex questions How is sexual abuse to be defined What are the effects of abuse How can the victim be helped How can abuse be prevented These two comprehensive volumes cover a wide spectrum of basic and applied issues Expert contributors including physicians attorneys psychologists philosophers social workers and engineers address such relevant topics as epidemiology animal models legal reforms feminist scholarship child pornography medical assessment and diverse models of psychotherapeutic intention **The Civil Contract of Photography** Ariella Azoulay,2021-09-14 In this groundbreaking work Ariella Azoulay thoroughly revises our understanding of the ethical status of photography It must she insists be understood in its inseparability from the many

catastrophes of recent history She argues that photography is a particular set of relations between individuals and the powers that govern them and at the same time a form of relations among equals that constrains that power Anyone even a stateless person who addresses others through photographs or occupies the position of a photograph's addressee is or can become a member of the citizenry of photography The crucial arguments of the book concern two groups that have been rendered invisible by their state of exception the Palestinian noncitizens of Israel and women in Western societies Azoulay's leading question is Under what legal political or cultural conditions does it become possible to see and show disaster that befalls those with flawed citizenship in a state of exception The Civil Contract of Photography is an essential work for anyone seeking to understand the disasters of recent history and the consequences of how they and their victims are represented

Collaborating for Change Susan Marine, Ruth Lewis, 2020-08-05 In the midst of unprecedented attention to gender based violence GBV prompted in part by the MeToo movement *Collaborating for Change Transforming Cultures to End Gender Based Violence in Higher Education* provides a groundbreaking analysis of higher education culture and how it can be transformed to eradicate GBV This book builds on existing scholarship and practice offering unique reflections from faculty staff and students about potential avenues for change that go beyond programs and policies It recognizes the important work achieved to date on this topic but argues that transformation of cultures rather than reform of practices is now required Starting from the premise that cultural change must be embedded in groups of people working together the contributors to the book offer insights into what makes for constructive effective collaborations between activists in universities and the wider community as well as with university leaders managers and policy makers The volume is an interdisciplinary international account analysis of attempts to transform higher education cultures in an attempt to eradicate GBV The chapters contributed by leading scholars and practitioners in the field span the experiences of GBV in Canada the United States Scotland England France and India *Collaborating for Change* reveals the different institutional political and cultural contexts in which activists scholars and practitioners endeavor to eradicate GBV and provides insights for others engaged in this work around the globe The book argues that nothing short of a transformation is required to make higher education safe for all

Mad, Bad, and Sad: A History of Women and the Mind Doctors Lisa Appignanesi, 2009-08-31 A work of wit wisdom and richness A grand tour of derangement from matricide to anorexia John Leonard Harper's This fascinating history of mind doctors and their patients probes the ways in which madness badness and sadness have been understood over the last two centuries Lisa Appignanesi charts a story from the days when the mad were considered possessed to our own century when the official psychiatric manual lists some 350 mental disorders Women play a key role here both as patients among them Virginia Woolf Sylvia Plath and Marilyn Monroe and as therapists Controversially Appignanesi argues that women have significantly changed the nature of mind doctoring but in the process they have also inadvertently highlighted new patterns of illness
