They come to our aid when we least expect it and they disappear as soon as their work is done We all regularly receive messages from our guardian angels and spirit guides but usually fail to recognize them This book aims to help the reader to realize when this occurs      *Dragons*

— *Guardians of Creative Powers* Jaap van Etten, 2019-04-22 Do you feel that you often do not get what you desire The key to changing what no longer satisfies you is to change what no longer works for you Every thought is an intention that sets a process of energies into motion That's when the creative process starts Understanding that we create continuously on small and large levels is the first step in realizing that when something no longer works for us it is the consequence of a disruption in the creative process and the way we think This book describes the different types of creative processes The elemental fire water air and earth powers are the basis of all creation Understanding the different aspects of these creative powers will help you to become a conscious creator Guardians are connected with every aspect of the elemental powers They are known as dragons however different traditions use different names for them such as angels or nature spirits These dragons are not the scary type often depicted in stories They are among the strongest allies we can ask for They belong to the subtle realms and therefore are invisible to most people This book offers information to help you reconnect with these creative powers and their guardian dragons Through this connection you will become a conscious creator and change your life in ways that lead to success joy happiness and abundance Thereby you will contribute optimally to the creation of a new world Are you ready for this exhilarating journey

[Super Freak: Lessons from a Reluctant Psychic](#) Pamela Southwell, 2025-01-23 When Pamela Southwell was two and a half years old she asked a question in her mind and heard a voice in her head that answered her question It was the first time she heard this man's voice The same voice helped her out again when she was four years old and spoke to her at various times throughout her childhood It wasn't until she was fourteen years old while she was using an Ouija board with her friends that she found out who this voice was The pointer spelled out the name of her great grandfather But how could that be He had passed away before she was even born As she grew older other strange experiences started happening her dreams were coming true she could astral travel she could talk to living and dead pets as well as people in the spiritual realm For many years Pamela denied her psychic abilities She hid them away for fear that others might think she was a freak while she also worried that she may have a mental illness Decades later she finally found some friends who supported her and books to guide her and answer her questions about all things beyond our three dimensional reality After developing her gifts further she began giving psychic readings to clients connecting with their loved ones or pets in spirit or foretelling their futures These interactions affirmed her abilities yet she still doubted herself She was still reluctant to accept that she had these skills However one night a message came from spirit with a confirmation so solid that she could no longer doubt her abilities In *Super Freak Lessons from a Reluctant Psychic* Pamela not only shares personal adventurous stories and advice about being a psychic but also provides a safe space for others like her to embrace their authentic selves and know they are not alone Follow her on her path as she navigates all things intuitive by recommending books and movies offering the reader an opportunity to delve deeper into these topics and suggesting exercises to practice their own extra sensory skills
