Tungate, 2024-07-31 John Wesley eighteenth century Church of England priest and founder of Methodism was strongly influenced by the works of Roman Catholic mystics early in his ministry These writings shaped his widely known doctrine of Christian perfection or entire sanctification The mystics inspired Wesley to advocate for a lofty spiritual goal that he believed to be attainable in this life In time however he developed many contentions with extremes as well as some particulars found in the mystical tradition Beginning in 1749 Wesley began to publish his Christian Library a fifty volume compilation of abridged works that he believed to be among the best writings on practical divinity that had been published in English Among this vast collection he incorporated two works originally written in Spanish including a sampling of Letters by Juan de vila and the Spiritual Guide by Miguel de Molinos This book examines Wesley's editing of these works as a way of evaluating Wesley's theology in comparison and contrast with Spanish mysticism In particular this book serves as a comparative study among these authors on matters of theological authority self knowledge and epistemology soteriology spiritual growth suffering and divine withdrawal prayer meditation contemplation and the spiritual goal **The Rapture, the Antichrist, and the Tribulation** Rick Renner, 2025-09-02 YOU'VE HEARD OF THE RAPTURE BUT WHAT HAPPENS NEXT Questions about the Bible and God's timeline of events for human history abound as more people sense we are reaching the end of an age They instinctively know that when one epoch of time ends another lies in wait and will soon after begin But what is the pivotal point in time upon which these mysterious next events hinge In this book Rick Renner takes you on a deep dive into Scripture to show you that Christ's rapture of His Church is the domino event that will set in motion the next phase in God's prophetic timeline The Rapture is the event God's people should desirously anticipate as they prepare to meet Him face to face But the Rapture Heaven and the Marriage Supper of the Lamb are not the end for true believers in Christ as Rick vividly explains In this book you'll learn Which group of saints will be raised first to meet Jesus in the Rapture The identity of those who are alive and remain that will be raised next The origin of the word rapture and every Greek instance of this word in the New Testament How to be prepared for the Rapture in the dark last hours of time What it will look like when mortal bodies put on immortality The identity of the restrainer that withstands the onslaught of evil on the earth right now The Antichrist's attributes according to Scripture and when he will finally be revealed How to avoid contamination by the spirit of the Antichrist that is already in the world Five differences between the Rapture of the Church and the Second Coming of Christ Who will be affected by the horrific bowls of judgment in the Great Tribulation to come And much more This book will answer many of your questions about end time events and surprise you with information on this subject you probably didn't know existed In fact this may be the most comprehensive look at all three topics the Rapture the Antichrist and the Tribulation you

as it has so many times before What the Committee didn't know however was that Hiva wasn't an event it was a person Iris Marlow An African tightrope dancer with no memories of her past A girl who cannot die At least she couldn't die Until her own friends discovered her one weakness and murdered her once and for all The world ending threat she posed should be gone too but there's one more Hiva out there and unlike Iris this one has no love for humanity In her absence this Hiva has taken it upon himself to judge if humanity deserves to live But when it comes to Hivas the judgment is always the same The ending is always total destruction And while Iris is dead she's not gone and after the betrayal that ended her life as Iris she is now out for revenge The world's days are numbered The Cataclysm has begun *Rapture River* Robert Edward Smith, 2024-11-08 *Rapture River* Robert Edward Smith's first novel tracks the relationship of two lovers who are as unpredictable as Michigan's weather Josh a Catholic priest and Joyce a Native American meet at St Peter The Fisherman Catholic Church on the banks of the Black River a premier brook trout stream for fly fishing Each embraces their own spiritual heritage but struggles with an inner sensual demon They must prove strong enough to bridge that spiritual gap and assuage his guilt and her anguish over their coupling Their relationship is facilitated by Josh's 89 year old fly fishing mentor Ted and his Labrador Retriever Molly The Black River is the mainstream in their story but the novel is not mainstream The River and wilderness are presented as seen through the eyes of Joyce and Josh whose emotional attachment to their environs pulls the reader into their quest The author describes the wrenching action they encounter with captivating prose as this example when they are in the middle of the river in their waders For a long time they were alone until startled by a swish and loud flapping A hawk angled down directly above and dove with its wings held tight piercing the water like an arrow and disappearing under the surface then bursting up in a gush of spray with a large trout hooked in its talons The trout thrashed about fiercely slapping the river with its tail splashing a shower of water The hawk twisting to shake off the droplets let out a shrill scream and hovered momentarily just above water pounding its drenched wings and rising the trout clamped in its black claws The novel slips into fantasy fable and the enchantment of nature A murder a gambling casino a mission church of serpent handlers and accidental oil spills steal into the story seamlessly The author deftly manipulates these genres He inserts the thoughts of his characters through italicized stream of consciousness paragraphs and introduces each by a black silhouette image of an animal which represents that character as a butterfly or a hawk rendering the novel more reader friendly The novel fits into the little publicized genre of slipstream probably exemplified best by the writings of Jorge Luis Borges But there is no slipstream section at our current bookstores Even the main character the River is unpredictable sometimes harsh yet comforting even obedient Through a Kangaroo Court a medium of last resort the author deftly convinces his readers that this is the only fair trial available for the guilty party His readers will be intrigued and drawn into the story as if it were true *Rapture River* is a Romance a Murder Mystery an escapist Fable but above all a magical quest for fulfillment in our strange times **BioShock: Rapture** John Shirley, 2012-06-26 The prequel to the award winning and

bestselling video game franchise Cover Rapture Gail Glode, 2013-07-03 What if our current interpretation of ego was completely and utterly wrong Wilder yet what if the basic premise of Christianity the notion of original sin was all a huge misunderstanding When Margaret Gabriel a psychic and author goes on an extended stay in her beloved Venice to promote her book Thank God for Red Shoes her life is literally transformed As she embarks on a voyage of self discovery from top to toe in Italy little does Margaret know that the additional installments which she is about to channel will provide astounding revelations that have the potential to change of the paradigm of how we see the world Innamorata dell'Italia totally in love with the culture and especially the language of Italy Margaret revels in the generosity of spirit of the Italian people in two incredibly beautiful men in the art and food of remarkable cities and at the ripe old age of sixty in her own renewed sensuality and personal power A book within a book a love affair within a love affair and a practical crash course on how to access both happiness and empowerment Rapture is a tour de force
