said The prime minister wants to talk with you Some months earlier I had left my post as Principal Scientific Adviser to the Government of India to return to teaching Now as I spoke to the PM Atal Bihari Vajpayee my life was set for an unexpected change Turning Points takes up the incredible Kalam story from where Wings of Fire left off It brings together details from his career and presidency that are not generally known as he speaks out for the first time on certain points of controversy It is a continuing saga above all of a journey individual and collective that will take India to 2020 and beyond as a developed nation
