Bowker Company. Department of Bibliography,1978-11 *APOCATASTASIS (Paperback)* Emil Lips,2016-03-04 Strokes of genius come rarely in life This is one of those APOCATASTASIS is an extraordinary work In simple clear language Lips takes the reader to a deeper

understanding of the planets their dignities and debilities and on to a world formula that brings order to chaos and that will change our world view The experienced teacher Heisenberg would only examine the work of his pupils when the result was simple and aesthetically beautiful The result presented by Lips is simple and beautiful His astrological research has enabled him to discover the law that thinkers of all cultures have been searching for since time immemorial The principles of his symmetrical theory are now seen to be inevitable not to be confused with the Christian or Stoic meaning of this term is the astrological teaching of the eternal cycle of the celestial rulers planets and their rulership over all things and the zodiac signs
