Reflections From The Bottom Of The Bottle:

Reflections from the Bottom of the Bottle Kenneth W. Payne, 1971 *A Reflection of Me* Sidney Mason, 2017-04-28 We all see a bit of ourselves in our children in a lot of the things they do from the good to the bad when they succeed and when they fail In a sense one might believe that to teach our children right from wrong we are indeed teaching those same lessons to ourselves as the saying goes to point a finger only to have three more pointing back at you Follow Mason Broady a man long in years and experience for a weekend while searching for some sort of sustenance from his own days alone He finds himself now a widower and routine is losing its flavor Until by happenstance he runs into an old friend from a good while ago who will remind him that he is very much alive Follow his family his children and grandchildren being a reflection of who he is and who he was They too would have to navigate life's intricacies its hills and valleys with the sort of questioning that would force an individual to either scream for an answer or fall to silence from simply not knowing They'll learn it's okay not knowing sometimes But still in the end they are a family sometimes loving one another and sometimes not so much They are still a family A reflection of one another or as Mason Broady would say a reflection of me **DDC Retrieval and**
