Riding The Iron Rooster By Train Through China:

Riding the Iron Rooster Paul Theroux, 1989 Describes the author's travels by train in every province of the People's Republic of China

Riding the Iron Rooster Paul Theroux, 2006-12-08 The acclaimed travel writer chronicles a year of train travel across China in a revealing travelogue that gives the reader much to relish and think about Publishers Weekly The author of the train travel classics *The Great Railway Bazaar* and *The Old Patagonian Express* takes to the rails once again in this account of his epic journey through China The always irascible infectious curious author is in top form as he describes the barren deserts of Mongolia and Xinjiang the ice forests of Manchuria and the dry hills of Tibet He captures their otherworldly haunting appearances perfectly He is also right on target when he talks about the ugliness of China's poorly planned hastily built cities Mark Salzman *The New York Times* Theroux hops aboard a train as part of a tour group in London and sets out for China's border He then spends a year traversing the country where he pieces together a fascinating snapshot of a unique moment in history From sweeping and desolate natural landscapes to the dense metropolises of Shanghai Beijing and Canton Theroux offers an unforgettable portrait of a magnificent land and an extraordinary people
