Reclaiming Divine Wrath Stephen Butler Murray,2011-09-02 Following the 9 11 terrorist attacks in the United States there was prolific misuse and abuse of the concept of divine wrath in church pulpits In pursuit of a faithful understanding of what he calls a lost doctrine the author of this study investigates the substantial history of how the wrath of God has been interpreted in Christian theology and preaching Starting with the Hebrew and Christian Scriptures and moving historically through Christianity s most important theologians and societal changes several models of divine

wrath are identified The author argues for the reclamation of a theological paradigm of divine wrath that approaches God's love and God's wrath as intrinsically enjoined in a dynamic tension Without such a commitment to this paradigm this important biblical aspect of God is in danger of suffering two possible outcomes Firstly it may suffer rejection through conscious avoidance of the narrow misinterpretations of divine wrath that dominate contemporary theology and preaching Secondly irresponsible applications of divine wrath may occur when we neglect to engage and understand the wrath of God as inseparable from God's justice and love in Christian theology and proclamation *Schleiermacher* Julia A. Lamm, 2014 This volume contains the most important spiritual writings of this seminal nineteenth century theologian including the Second Speech and the Christmas Dialogue **The Spirit of God and the Christian Life** JinHyok Kim, 2014 Revision of author's thesis Ph D University of Oxford 2012 under title The spirit of God and the Christian life a constructive study of Karl Barth's pneumatology with special reference to his incomplete doctrine of redemption *Ex Auditu - Volume 20* Klyne Snodgrass, 2005-02-12 Ex Auditu began as the journal incorporating the papers of the Fredrick Neumann Symposium of Princeton Theological Seminary After the first four volumes the journal began publishing the papers from the North Park Symposium on the Theological Interpretation of Scripture The intent from the first has been to provide a forum for doing interdisciplinary theology from a biblical perspective for the benefit of the Church Each annual publication focuses on a topic crucial to the life of today's Church Additionally each issue contains an annotated bibliography and a sermon which makes it a practical guide for pastors EDITOR Dr Stephen Chester Associate Professor of New Testament North Park Theological Seminary EDITOR EMERITUS Dr Klyne R Snodgrass Paul W Brandel Professor of New Testament Studies at North Park Theological Seminary ASSOCIATE EDITOR Dr D Christopher Spinks Acquisitions Editor at Wipf and Stock Publishers EDITORIAL BOARD Terence E Fretheim Luther Seminary St Paul MN Richard B Hays Duke Divinity School Durham NC Jon R Stock Wipf and Stock Publishers Eugene OR Miroslav Volf Yale Divinity School New Haven CT John Wipf Wipf and Stock Publishers Eugene OR SUBSCRIPTION INFORMATION Individuals U S A and all other countries in U S funds 20 00 Students 12 00 Institutions 30 in the U S and 40 for international shipments in U S funds To subscribe Send pertinent information to Wipf and Stock Publishers at orders@wipfandstock.com and indicate your preferred method of payment Back issues are available through Wipf and Stock Publishers Symposium on the Theological Interpretation of Scripture at North Park DETAILS For more information about the symposium click [here](#) INQUIRIES Other inquiries should be addressed to one of the following Dr Dennis Edwards Associate Professor of New Testament North Park Theological Seminary 3225 W Foster Ave Chicago IL 60625 Telephone 773 244 6238 Email sdredwards@northpark.edu Chris Spinks Acquisitions Editor Wipf and Stock Publishers 199 W 8th Ave Ste 3 Eugene OR 97401 Telephone 541 344 1528 Fax 541 344 1506 Email chris@wipfandstock.com *Shaping the Christian Life* Kendra G. Hotz, Matthew T. Mathews, 2006-01-01 This insightful book explores how worship practices can transform and renew the lives of those who worship Emphasizing how religious

affections provide us with orientation in the world Kendra Hotz and Matthew Mathews show how worship can shape our religious affections so that we can live to the glory of God and in a harmonious relationship with God's creation *Revisiting Christianity* Dr Marius C Felderhof, 2013-06-28 This book presents a view of Christianity and Christian thinking that draws on some key thinkers from Plato to Wittgenstein and represents a thoughtful common sense theology offered as an alternative to the anti intellectualism of many contemporary Christians and to the distortions of Christianity provided by some of the most vocal critics Seeking to make accessible some traditional Christian thinking and practices that are rooted in the desire to make the most of life Felderhof highlights the additional Platonic corollary that unless we have learned to live well we shall not properly understand thus presuming the mutual interdependence of theory and practice Felderhof portrays how Christian theology is to do with making sense of what Christians do and how generally we are best advised to live This is an invaluable introduction to key themes for students and a wide range of readers *The Appeal to Experience in the Christologies of Friedrich Schleiermacher and Karl Rahner* Allen G. Jorgenson, 2007 Despite its controversy experience remains a perdurable category for contemporary theology This book explores the appeal to experience in the Christologies of Friedrich Schleiermacher and Karl Rahner two theologians often accused of reducing theology to anthropology by allowing apologetic concerns to dictate their method in their appeal to experience This work demonstrates that both theologians develop their hermeneutics under the tutelage of theology even while using experience as a category by which to provide leverage in apprehending Jesus Both the perils and possibilities of their Christologies are explored in preparation for an account of experience construed sacramentally *Wrath Among the Perfections of God's Life* Jeremy J. Wynne, 2013-02-14 Late modern theology is marked by persistent and widespread uncertainty as to how the wrath of God can be taken up as a legitimate theme within dogmatics Rather than engage the most fundamental task of clarifying the inner logic by which God's identity is revealed in scripture privilege has been ceded either to cultural and textual criticism to ostensibly self evident moral sensibilities or to the thematization of religious experience The present work sets out to rectify this misstep The result is a rigorous proposal for understanding wrath expressly within the doctrine of God as a redemptive mode of divine righteousness
