Short Sharp Life Of T E Hulme:

The Short Sharp Life of T.E. Hulme Robert Ferguson, 2002 T E Hulme was one of the leading lights of the imagist movement in British verse he counted among his friends and literary companions Wyndham Lewis Ezra Pound Walter Sickert and Rupert Brooke At the outbreak of war he joined the British Army and was killed in 1917 at the age of 34 and the Ideological Politics of Early Modernism Henry Mead, 2015-08-27 Drawing on a range of archival materials this book explores the writing career of the poet philosopher art critic and political commentator T E Hulme a key figure in British modernism T E Hulme and the Ideological Politics of Early Modernism reveals for the first time the full extent of Hulme's relationship with New Age a leading radical journal before the Great War focusing particularly on his exchange of ideas with its editor A R Orage Through a ground breaking account of Hulme's reading in continental literature and his combative exchanges amongst the bohemian networks of Edwardian London Mead shows how the strange death of Liberal England coincided with Hulme's emergence as what T S Eliot called the forerunner of the twentieth century mind Tracing his debts to French Symbolism evolutionary psychology Neo Royalism and philosophical pragmatism the book shows how Hulme combined anarchist and conservative impulses in his journey towards a religious attitude The result is a nuanced account of Hulme's ideological politics complicating the received view of his work as proto fascist The Short Sharp Life of T. E. Hulme Robert Ferguson Staff, 2003-11 Conservative Modernists Christos Hadjiyiannis, 2018-03-29 Despite sustained scholarly interest in the politics of modernism astonishingly little attention has been paid to its relationship to Conservatism Yet modernist writing was imbricated with Tory rhetoric and ideology from when it emerged in the Edwardian era By investigating the many intersections between Anglophone modernism and Tory politics Conservative Modernists offers new ways to read major figures such as T S Eliot Ezra Pound T E Hulme and Ford Madox Ford It also highlights the contribution to modernism of lesser known writers including Edward Storer J M Kennedy and A M Ludovici These are the figures to whom it most frequently returns but cutting through disciplinary delineations the book simultaneously reveals the inputs to modernism of a broad range of political writers philosophers art historians and crowd psychologists from Pascal Burke and Disraeli to Nietzsche Le Bon Wallas Worringer Ribot Bergson and Scheler Bohemia in London P. Brooker, 2004-01-23 This original study discovers the bourgeois in the modernist and the dissenting style of Bohemia in the new artistic movements of the 1910s Brooker sees the bohemian as the example of the modern artist at odds with but defined by the codes of bourgeois society It renews once more the complexities and radicalism of the modernist challenge Ezra Pound's Japan Andrew Houwen, 2021-03-25 The first book to deal with the subject of Ezra Pound's relationships with Japanese literature as a whole this book provides a wealth of new scholarship on this subject including on the 19th century Japanese contexts that led to Pound s interest in hokku and Fenollosa s No translations on which Pound based his own significant original research on Pound's Japanese friendships that enriched his understanding of Japanese literature and an examination of all the explicit

references to No in The Cantos in unprecedented depth It demonstrates that the works for which Ezra Pound is most famous such as In a Station of the Metro and his epic poem The Cantos were shaped by his lifelong interest in Japanese literature

After the Victorians A. N. Wilson, 2015-05-05 The distinguished historian A N Wilson has charted in vivid detail Britain s rise to world dominance a tale of how one small island nation came to be the mightiest richest country on earth reigning over much of the globe Now in his much anticipated sequel to the classic The Victorians he describes how in little more than a generation Britain's power and influence in the world would virtually dissolve In After the Victorians Wilson presents a panoramic view of an era stretching from the death of Queen Victoria in 1901 to the dawn of the cold war in the early 1950s He offers riveting accounts of the savagery of World War I and the world altering upheaval of the Communist Revolution He explains Britain's role in shaping the destiny of the Middle East And he casts a bright new light on the World War II years Britain played a central role in defeating Germany but at a severe cost The nation would emerge from the war bankrupt and fatally weakened sidelined from world politics while America would assume the mantle of dominant world power facing off against the Soviet Union in the cold war Wilson's perspective is not confined to the trenches of the battlefield and the halls of parliament he also examines the parallel story of the beginnings of Modernism he visits the novelists philosophers poets and painters to see what they reveal about the activities of the politicians scientists and generals Blending military political social and cultural history of the most dramatic kind A N Wilson offers an absorbing portrait of the decline of one of the world s great powers The result is a fresh account of the birth pangs of the modern world as well as a timely analysis of imperialism The Great War, The Waste Land and the Modernist Long Poem Oliver Tearle, 2019-04-04 The Great and its discontents War The Waste Land and the Modernist Long Poem explores how cultural responses to the trauma of the First World War found expression in the form of the modernist long poem Beginning with T S Eliot s The Waste Land Oliver Tearle reads that most famous example of the genre in comparison with lesser known long poems such as Hope Mirrlees s Paris A Poem Richard Aldington's A Fool I the Forest and Nancy Cunard's Parallax As well as presenting a new history of this neglected genre the book examines the ways in which the modernist long poem represented the seminal literary form for grappling with the crises of European modernity in the wake of World War I Modernism, Space and the City Andrew Thacker, 2019-01-22 This innovative text examines the development of modernist writing in four European cities London Paris Reaction and the Avant-Garde Tom Villis, 2005-10-28 Reaction and the Avant Garde illuminates a Berlin and Vienna vital facet of right wing thought in the first decades of the century which had a powerful hold on Europe s intellectual elite Prominent literary figures such as Ezra Pound Hilaire Belloc and the Chestertons led a revolt against liberal parliamentary democracy in Britain This group despised parliaments as representing and embodying a nation Villis examines the literary works private papers correspondence and memoirs of the leaders of this anti Semitic anti modern anti women s rights The Red Sweet Wine Of Youth Nicholas movement that formed the intellectual underpinning of European fascism

Murray, 2011-02-03 The poetry that emerged from the trenches of WWI is a remarkable body of work at once political manifesto and literary beacon for the twentieth century In this passionate recreation of the lives of the greatest poets to come out of the conflict Nicholas Murray brilliantly reveals the men themselves as well as the struggle of the artist to live fully and to bear witness in the annihilating squalor of battle Bringing into sharp focus the human detail of each life using journals letters and literary archives Murray brings to life the men's indissoluble comradeship their complex sexual mores and their extraordinary courage Poignant vivid and unfailingly intelligent Nicholas Murray's study offers new and finely tuned insight into the often devastatingly brief lives of a remarkable generation of men Trauma. Primitivism and the First World War Joy Porter, 2021-04-08 This book examines the extraordinary life of Frank Toronto Prewett and the history of trauma literary expression and the power of self representation after WWI Joy Porter sheds new light on how the First World War affected the Canadian poet and how war induced trauma or shell shock caused him to pretend to be an indigenous North American Porter investigates his influence of and acceptance by some of the most significant literary figures of the time including Siegfried Sassoon Edmund Blunden Wilfred Owen and Robert Graves In doing so Porter skillfully connects a number of historiographies that usually exist in isolation from one another and rarely meet By bringing together a history of the WWI era early twentieth century history Native American history the history of literature and the history of class Porter expertly crafts a valuable contribution to the field **The Last Minstrels** Ronald Schuchard, 2008-02-28 Recovering a lost literary movement that was the most consuming preoccupation of W B Yeats's literary life Ronald Schuchard's book provides an historical biographical and critical reconstruction of the poet's attempt to restore an oral tradition by reviving the bardic arts of chanting and musical speech Richard Aldington Vivien Whelpton, 2014-01-30 This is a literary biography of Richard Aldington founding member of the Imagist Movement poet of the First World War author of Death of a Hero and a biography of D H Lawrence Aldington s is an extraordinary human story dealing with contemporary issues such as confrontation of sexual mores of the day and the impact of his soldier experience on his life and work There hasn t been a recent biography of Aldington the only one of the war poets not to have one With the interest in the First World War increasing as we near the centenary the time is right for this book This biography explores the relationships of Aldington with other prominent literary figures Ezra Pound Herbert Read T S Eliot D H Lawrence and his unsuccessful marriage with H D This first instalment of a hopefully two volume biography covers Aldington's life and work up to 1929 It investigates the years 1911 1915 in which Aldington helped found Modernism and formed relationships with other Modernists the years 1916 19 when his life fell apart after his soldier experience the years 1920 28 when he tried to re establish his literary career laid the foundations of modern literary criticism and his writing of Death of a Hero at the end of the decade a blistering attack on all that had made the war possible Offical Blurb The story of Richard Aldington outstanding Imagist poet and author of the bestselling war novel Death of a Hero 1929 takes place against the backdrop of some of the most turbulent and creative

years of the twentieth century Vivien Whelpton provides a remarkably detailed and sensitive portrayal of the writer from early adolescence His life as a stalwart of the pre war London literary scene as a soldier and in the difficult aftermath of the First World War is deftly rendered through a careful and detailed analysis of the novels poems and letters of the writer himself and his close circle of acquaintance The complexities of London's Bohemia with its scandalous relationships social grandstanding and incredible creative output are masterfully untangled and the spotlight placed firmly on the talented group of poets christened by Ezra Pound as Imagistes The author demonstrates profound psychological insight into Aldington s character and childhood in her nuanced analysis of his post war survivor s guilt and consideration of the three most influential women in his life his wife the gifted American poet H D Dorothy Yorke the woman he left her for and Brigit Patmore his brilliant and fascinating older mistress Richard Aldington Poet Soldier and Lover vividly reveals Aldington s warm and passionate nature and the vitality which characterised his life and works concluding with his triumphant personal and literary resurrection with the publication of Death of a Hero **Sunday Best** John Carey, 2022-11-15 A collection of John Carey's greatest wisest and wittiest reviews amassed over a lifetime of writing In 1977 newly installed as a professor of English at Oxford John Carey took the position of chief reviewer for the Sunday Times In a career spanning over 40 years and upwards of 1 000 reviews Carey has kept abreast of the brightest and best books of the day distilling his thoughts each week for the entertainment of Sunday readers Contained in this volume is the cream of that substantial crop a choice selection of the books which Carey has most cherished Covering subjects as diverse as the science of laughter the art of Grayson Perry the history of madness and Sylvia Plath's letters this is a collection of treats and surprises suffused with careful thought wisdom and enjoyment The result is a compendium of titles that have stood the test of time offered with Carey s warmest recommendation Modernist Literature Mary Ann Gillies, 2007-03-19 This engaging textbook provides a critical assessment of British modernist literature produced between 1900 and 1945 Each chapter focuses on a single decade a distinct genre and a specific theme the 1900s the short story gender and sexuality the 1910s poetry war technology and propaganda the 1920s the novel new modes of literary expression the 1930s the documentary political engagement A final chapter covers the 1940s and beyond looking at new literary and artistic movements and other modernisms Covering canonical texts and lesser known works Modernist Literature introduces students to current debates in Modernism and a range of literature in its historical and aesthetic contexts Features Examines four distinct genres the short story poetry novel and documentary decade by decade Combines close readings with cultural and political analyses of British modernism Includes a Chronology and Further Readings with each chapter The Imagist Poets Andrew Thacker, 2011 A clear and incisive account of the Imagists the first significant group of modernist poets writing in English **Prosthetic Gods** Hal Foster, 2004 How to imagine not only a new art or architecture but a new self or subject equal to them In Prosthetic Gods Hal Foster explores this question through the works and writings of such key modernists as Gauguin and Picasso F T Marinetti

and Wyndham Lewis Adolf Loos and Max Ernst These diverse figures were all fascinated by fictions of origin either primordial and tribal or futuristic and technological In this way Foster argues two forms came to dominate modernist art above all others the primitive and the machine Foster begins with the primitivist fantasies of Gauguin and Picasso which he examines through the Freudian lens of the primal scene He then turns to the purist obsessions of the Viennese architect Loos who abhorred all things primitive Next Foster considers the technophilic subjects propounded by the futurist Marinetti and the vorticist Lewis These new egos are further contrasted with the bachelor machines proposed by the dadaist Ernst Foster also explores extrapolations from the art of the mentally ill in the aesthetic models of Ernst Paul Klee and Jean Dubuffet as well as manipulations of the female body in the surrealist photography of Brassai Man Ray and Hans Bellmer Finally he examines the impulse to dissolve the conventions of art altogether in the drip paintings of Jackson Pollock the scatter pieces of Robert Morris and the earthworks of Robert Smithson and traces the evocation of lost objects of desire in sculptural work from Marcel Duchamp and Alberto Giacometti to Robert Gober Although its title is drawn from Freud Prosthetic Godsdoes not impose psychoanalytic theory on modernist art rather it sets the two into critical relation and scans the greater historical field that they share The Oxford Companion to English Literature Dinah Birch, 2009-09-24 The Oxford Companion to English Literature has long been established as the leading reference resource for students teachers scholars and general readers of English literature It provides unrivalled coverage of all aspects of English literature from writers their works and the historical and cultural context in which they wrote to critics literary theory and allusions For the seventh edition the Companion has been thoroughly revised and updated to meet the needs and concerns of today's students and general readers Over 1 000 new entries have been added ranging from new writers Chimamanda Ngozi Adichie Patrick Marber David Mitchell Arundhati Roy to increased coverage of writers and literary movements from around the world Coverage of American literature has been substantially increased with new entries on writers such as Cormac McCarthy and Amy Tan and on movements and publications Contextual and historical coverage has also been expanded with new entries on European history and culture post colonial literature as well as writers and literary movements from around the world that have influenced English literature The Companion has always been a quick and dependable source of reference for students and the new edition confirms its pre eminent role as the go to resource of first choice All entries have been reviewed and details of new works biographies and criticism have been brought right up to date So also has coverage of the themes approaches and concepts encountered by students today from terms to articles on literary theory and theorists There is increased coverage of writers from around the world as well as from Ireland Scotland and Wales and of contextual topics including film and television music and art Cross referencing has been thoroughly updated with stronger linking from writers to thematic and conceptual entries Meanwhile coverage of popular genres such as children's literature science fiction biography reportage crime fiction fantasy or travel literature has been increased substantially with new entries on writers from Philip

Pullman to Anne Frank and from Anais Nin to Douglas Adams The seventh edition of this classic Companion now under the editorship of Dinah Birch assisted by a team of 28 distinguished associate editors and over 150 contributors ensures that it retains its status as the most authoritative informative and accessible guide to literature available *The Fourth Imagist*Frank Stuart Flint,2007 This is the first time that a substantial and representative selection of Flint's poetry has been collected The Introduction supplies important biographical information and traces how Flint became involved along with Ezra Pound Richard Aldington and H D in the Imagist project There are sixty three poems drawn from Flint's three published collections of poetry In the Net of the Stars 1909 Cadences 1915 and Otherworld 1920 and a further twenty two uncollected or previously unpublished poems making eighty five poems in all The Introduction also offers a sustained and illuminating discussion of the evolution of Flint's art through three volumes In addition there are five appendices among them Flint's important essays Imagisme and The History of Imagism The book seeks to establish Flint as a significant contributor to early Modernist poetry i e Imagism and to reassess the qualities and achievement of an undeservedly overlooked poet
