

The Short Stories of R. K. Narayan

PERRY D. WESTBROOK

The first of R. K. Narayan's three volumes of short stories, *An Astrologer's Day and Other Stories* (1947),¹ contains thirty pieces, all of which had previously appeared in the *Madras Hindu*. Thus they had been written for, and presumably read and enjoyed by, the readership of one of India's greatest English-language newspapers. Though this readership would include most of the British, Anglo-Indians, and Americans living in South India, it would be made up overwhelmingly of true Indians. It is an important point. Narayan is an Indian writing for Indians who happen to read English. He is not interpreting India for Westerners. In Europe and America, of course, Narayan's reputation rests upon his novels. The publication in London of *An Astrologer's Day* followed two well-received novels, *Swami and Friends* and *The English Teacher*, but long before he was a novelist with an enthusiastic Western following, Narayan was an Indian journalist loved by his fellow-countrymen.

Paradoxically, however, though Narayan's short pieces have been welcomed in the *Hindu* for over thirty years, his novels have never been popular in India; indeed, I myself have found that they are obtainable there only with the greatest difficulty. Another book-hunter reports that in the leading bookshop of Bangalore in Narayan's own Mysore State not a single book by Narayan was available. On being queried, a clerk replied that there was no demand for Narayan's works.² Narayan himself has stated that in the city of Mysore, where he has lived most of his life, perhaps only 200 of the population of 275,000 have ever read any of his books.³ And yet Mysore justly has the reputation of being an important centre of education and culture. The fact is that Narayan's books have first been published in England, and more recently in the United States, and have only later appeared in Indian in unattractively printed paperback editions.
