Short Takes:

Short Takes: Readers' Choice of the Best Columns of America's Favorite Newspaperman, Damon Runyon Damon Runyon, 2022-08-16 In *Short Takes* Readers' Choice of the Best Columns of America's Favorite Newspaperman Damon Runyon's literary prowess is showcased through a curated selection of his esteemed newspaper columns. This compilation by DigiCat Publishing highlights the timeless wit and distinctive narrative style that made Runyon one of the most beloved figures in 20th century American journalism. Not only does each column echo the vibrant life of the roaring twenties and thirties but the book also serves as a cultural artifact preserving the colloquial charm and urban vibrancy of the era. The inclusion of readers' favorite columns underscores the democratic nature of his appeal and his ability to capture the pulse of the American public. Damon Runyon was an acute observer of the American scene with a keen eye for the idiosyncrasies of urban life. As a newspaperman rooted in the Broadway circuit, his experiences with the characters and the hustle of New York City informed his unique style, blending humor with a poignant sense of humanity. Runyon's journalistic legacy is embodied within these pages, revealing the profound influence his work exerted on American literature and journalism. This edition is recommended for aficionados of classic American literature and for those seeking insight into the zeitgeist of the early 20th century. Readers will not only enjoy wading into the rhythmic cadence of Runyon's prose but also appreciate the historical context preserved in his anecdotal musings. *Short Takes* is a testament to Runyon's enduring allure as a writer who artfully bridged the gap between the ebullience of common speech and literary excellence.

True Lies and Short Takes Eugene L. Stelzig, 2022-10-12 This gathering of autobiographical essays focuses on different experiences and periods of the author's life and hybrid identity: a childhood spent in Austria, teenage years in an American school and then a lycée in France, coming to the U.S. as a young adult and attending college studying in England for two years and then settling permanently in the U.S. into an academic career. The word essay in the title is meant in its original or French sense as an attempt or trial. The twenty-four items in this gathering are a kaleidoscopic collection of such attempts at different modes of self-reflexivity. They are arranged not so much in the chronological order of their composition as by way of loosely assembled thematic clusters. *True Lies* suggests that by transforming lived experiences into language by way of memory, imagination and reflection, and often years and decades later, we inevitably alter them as we write them down. But we also re-experience them and in so doing shift them into another register. These recollections cover a wide range of experiences: Stelzig's early years, his absurd encounter with a barber in

Salzburg his mysterious Buddha experience in Hong Kong his travel misadventure in Spain his career as an aspiring poet his commitment to teaching Shakespeare's plays his love of dogs and of tennis and the death of a nineteen year old Austrian au pair girl True Lies is divided into three parts Austrian Roots addresses Stelzig's early years including his relationship with his Austrian parents Adult Branchings focuses on his American adult life and identity The final section Falling Leaves is for the most part a set of reflections on the later stages of life and the sense of mortality and of time running out the challenge of being in time and the question of what remains
