Sefchick, 2015-10-20 Ghosts Inc where the paranormal is normal Paranormal researcher Tesla Dane has never known her father She doesn't even know who he is The only connection she's ever had to him is a huge gold gilt mirror he once owned where shadows seem to move deep within its silvery surface in the dark of night So she's more than a little surprised when one night a sinfully handsome man emerges from those very shadows a man who has the power to turn Tesla's world upside down Inventor Alexander Hartfield had been working for Tesla's father in a parallel universe since the early 1900s But now The Inventor as her father is affectionately known has gone missing Alex hopes that by bringing the beautiful Tesla to Avalon she can coax her father out of hiding especially since the man has never met the daughter who bears his name He also hopes that he can keep his hands off of Tesla Because she's the boss daughter And Alex isn't quite who he claims to be This novel the fifth in the Ghosts Inc series is approximately 83 000 words in length and is written in the modern adult romance style and is paranormal in nature It may not be appropriate for younger audiences It does not contain vampires werewolves or other such creatures and instead focuses on more traditional paranormal phenomenon **Sports shorts** Joseph

Bruchac, 2005 A collection of eight semi autobiographical stories about the author's experiences with sports while growing up They range from the game Bombardment over the lunch hour sports from gym class karate ballet and wrestling to baseball basketball and football *A Reader of Modern Arabic Short Stories* Sabry Hafez, Catherine Cobham, 2012-01-30 This reader consists of the full Arabic texts of eleven short stories by established Egyptian Iraqi Syrian and Jordanian writers The earliest story written in 1929 is by the Egyptian Mahmud Tahir Lashin and the most recent written in 1972 is by the Iraqi writer Fu

ad Al Takarli Each story is supplemented by an introduction with biographical information about the author placing him in his literary context a description of the contents and a brief analysis of the story itself in English Ideal for students of Arabic language and literature the aim of this collection is to encourage a literary appreciation of modern Arabic texts and an understanding of some of the cultural conflicts reflected in the writings Writers included are Ghalib Halasa Yahya Haqqi Yusuf Idris Idwar El Kharrat and Zakariyya Tamir **The Short Stories of Guy de Maupassant** Guy de Maupassant,1925

The Geographies of African American Short Fiction Kenton Rambsy,2022-03-25 Perhaps the brevity of short fiction accounts for the relatively scant attention devoted to it by scholars who have historically concentrated on longer prose narratives The Geographies of African American Short Fiction seeks to fill this gap by analyzing the ways African American short story writers plotted a diverse range of characters across multiple locations small towns a famous metropolis city sidewalks a rural wooded area apartment buildings a pond a general store a prison and more In the process these writers highlighted the extents to which places and spaces shaped or situated racial representations Presenting African American short story writers as cultural cartographers author Kenton Rambsy documents the variety of geographical references within their short stories to show how these authors make cultural spaces integral to their artwork and inscribe their stories with layered and resonant social histories The history of these short stories also documents the circulation of compositions across dozens of literary collections for nearly a century Anthology editors solidified the significance of a core group of short story authors including James Baldwin Toni Cade Bambara Charles Chesnutt Ralph Ellison Zora Neale Hurston and Richard Wright Using quantitative information and an extensive literary dataset The Geographies of African American Short Fiction explores how editorial practices shaped the canon of African American short fiction **Short Stories by Russian Authors** Rochelle

S. Townsend,1924 My American Marquess Bethany M. Sefchick,2017-08-23 Lord Daniel Weston the new Marquess of Lansdale is something of a curiosity Born in England before being whisked off to America by his mother when he was a mere child Daniel is a mix of both the land of his birth and his adopted homeland He is also not the sort of peer stiff English society is accustomed to dealing with However his golden boy looks and suave ways forgive many a sin Except that beneath this illusion of perfection lurks a man that no one knows and not everyone would like if they did The recipient of one of the highest honors a London debutante can aspire to Lady Anna Davenport is thoroughly enjoying being celebrated by Society Having lived in poverty most of her life she is unable to hide the thrill of being fawned over by eligible young gentleman and toasted by Society matrons However her good fortune only lasts for the length of the Season so she must select a husband and soon However the man her head knows she should marry is in love with another and the man that makes her heart race is the one she should avoid at all costs Can Daniel prove that he has conquered his demons and is worthy of a woman s love Will Anna choose with her head or her heart And will their decisions be ones they can live with for the rest of their lives

Much Ado About Something Bethany M. Sefchick,2014-08-11 In charge of running the fairy kingdom while her brother

and his wife are on an extended vacation Marissa Wexford Princess of the Fairies is having a little trouble balancing the royal household s budgets The upcoming Midsummer Ball is a big deal and she doesn t want to screw it up Then again if her brother wasn t such a lousy bookkeeper she might be able to figure out what she can and can t afford in the way of additional decorations for the party After all she s trying to be a fiscally responsible monarch Now if only she could stop dreaming about her brother s best friend Brutus things might be a little easier Brutus Linnington has been best friends with both Julian and Marissa for as long as he can remember Except that now he feels far more than friendship for Marissa only he s not certain she returns those feelings After all she s referred to him as her brother for years Why would anything make her see him differently now Then one night he catches Marissa in a weak moment when her defenses are down and her wings are exposed Can he make her see that there s more to their relationship than just friendship Or is he doomed to live with a one sided attraction for the rest of his life
