Season of the Dragon J.E. Taylor,2021-11-03 Monsters trust issues and a near death experience What else could go wrong The end of life as we knew it didn t come with a nuclear blast It didn t come with the deadly impact of a hurdling asteroid No It came in a wave of illness that swept the world with fear and in our quarantined silence the monsters awoke Leviathans serpent kings and dragons came forth from the bowels of the Earth The season of the dragon began with fire and fury and ended with a new world order One in which these giant terrorists held all the power When Mikhail St Clare betrays the monsters by saving me from death at their claws I cannot trust the last remaining dragon shifter Not when humankind s survival is at stake and he had a hand in our near extinction The only thing we seem to agree on is our desire to annihilate the leviathans and unseat the Serpent King Our personal futures depend on ridding the earth of these murderous overlords We thought crossing the leviathan patrolled city where every corner hides a hideous death was our
