## **Show Business Laid Bare:**

**Show Business Laid Bare** Earl Wilson, 1974      Goddess Anthony Summers, 2012-11-06 The updated bestselling biography based on over six hundred interviews and the inspiration for the Netflix documentary *The Mystery of Marilyn Monroe* Marilyn Monroe born in obscurity and deprivation became an actress and legend of the twentieth century romantically linked to famous men from Joe DiMaggio to Arthur Miller to John F Kennedy But her tragic death at a young age under suspicious circumstances left behind a mystery that remains unsolved to this day Anthony Summers interviewed more than six hundred people laying bare the truths sometimes funny often sad about this brilliant troubled woman The first to gain access to the files of Monroe's last psychiatrist Summers uses the documents to explain her tangled psyche and her dangerous addiction to medications He establishes after years of mere rumor that President Kennedy and his brother Robert were both intimately involved with Monroe in life and in covering up the circumstances of her death Written and updated by a Pulitzer Prize nominee who has authored works on JFK J Edgar Hoover and the 9 11 attacks this investigation of an iconic star's brief life and early death is remarkable The ghost of Marilyn Monroe cries out in these pages The New York Times Netflix's *The Mystery of Marilyn Monroe* will cement this work as the definitive biography of the unforgettable woman      *J. Edgar Hoover: The Man and the Secrets* Curt Gentry, 2001-02-17 The cumulative effect is overwhelming Eleanor Roosevelt was right Hoover's FBI was an American gestapo Newsweek Shocking grim frightening Curt Gentry's masterful portrait of America's top policeman is a unique political biography From more than 300 interviews and over 100 000 pages of previously classified documents Gentry reveals exactly how a paranoid director created the fraudulent myth of an invincible incorruptible FBI For almost fifty years Hoover held virtually unchecked public power manipulating every president from Franklin D Roosevelt to Richard Nixon He kept extensive blackmail files and used illegal wiretaps and hidden microphones to destroy anyone who opposed him The book reveals how Hoover helped create McCarthyism blackmailed the Kennedy brothers and influenced the Supreme Court how he retarded the civil rights movement and forged connections with mobsters as well as insight into the Watergate scandal and what part he played in the investigations of President John F Kennedy and Martin Luther King Jr      Marilyn Monroe Donald Spoto, 2001 Spoto's biography of Hollywood icon Marilyn Monroe makes use of over 150 interviews and more than 35 000 pages of previously sealed files including Monroe's diaries letters and other personal and revealing documents The book reveals new details of every aspect of her life from her guarded childhood and her relationships with men and marriages to her mysterious death Spoto comments on previous books about Marilyn and puts to rest questions regarding Monroe's connection with the Kennedys      *The DD Group* David Marshall, 2005-03 I am told that the first two names I recognized as a child were President Eisenhower and Marilyn Monroe Hopefully for my parents sake this was after I understood who Mama and Daddy were To be truthful I'm not at all certain By the time the newsman interrupted my cartoons on Sunday morning August 5 1962 to tell me that Marilyn Monroe had been found dead of an

overdose at the age of 36 she had become such a natural part of my daily life that I could not quite grasp the concept of a world where she was not still out there going about her surely incredible life To even begin to attempt to understand that someone as big as Marilyn Monroe could actually die threw my seven year old brain into serious philosophical doubt I kept a close watch on my parents my teachers even my close friends The way I saw it if Marilyn Monroe could die everyone was up for grabs author David Marshall from the introduction to The DD Group An Online Investigation Into the Death of Marilyn Monroe JFK and the Masculine Mystique Steven Watts,2016-11-08 A cultural examination of the popularity and allure of the thirty fifth president reveals how Kennedy was tailored to appeal to the public of his time explaining how he symbolized postwar views about American masculinity **Finding Zsa Zsa** Sam Staggs,2019-07-30 For decades the Gabor dynasty was the epitome of glamour and fairy tale success But as biographer film historian and Gabor family friend Sam Staggs reveals behind the headlines is a true story more dramatic fabulous and surprising than their self styled legend would have you believe In 1945 after barely escaping Hitler s invasion of Hungary followed by liberation of the country by the Red Army three members of the Gabor family Jolie her ex husband Vilmos and their daughter Magda arrived in New York City In Hollywood their other daughters Zsa Zsa and Eva had worked feverishly throughout the war years to secure their rescue from the Nazis plan to exterminate the Jews Stepping off the boat Jolie the iron willed matriarch already had a golden future mapped out for her sharp witted cosmopolitan beauties Over the next six decades with twenty three husbands between them suave All About Eve star George Sanders would wed both Zsa Zsa and Magda scores of lovers and roller coaster rides in film television theater and business the elegant yet gloriously bawdy addictively watchable Gabors carved a niche in the entertainment industry that made them world famous pop culture icons But beneath the artifice of Dior and diamonds was another side to the story they never revealed the whole truth This first verifiable history of the Gabors casts a startling new light on these extraordinary women Finding Zsa Zsa reveals the tumultuous and often unforgiven battles between mother and daughter sister and sister wife and husband Eva s bearded romance with Merv Griffin that allowed them both to seek same sex lovers Zsa Zsa s involuntary confinement in a mental hospital her life long struggle with bipolar disorder and her last unconsummated marriage to the manipulating faux prince Frederic von Anhalt Here too is the untold story of Zsa Zsa s daughter Francesca Hilton a gifted photographer who eschewed the Gabor lifestyle and paid a sad price for her independence The story of family patriarch Vilmos Gabor who returned to Hungary only to be trapped behind the Iron Curtain reads like a Cold War spy thriller Culled from new interviews with family colleagues and confidantes and the unpublished memoirs of the author s friend Francesca Hilton Finding Zsa Zsa finally introduces fans to the Gabor family they never knew including many never before seen photos It s a riveting outrageously funny bittersweet and affectionately honest read of four women who were vulnerable tough charitable endlessly fascinating and always glamorous to a fault **The Anthony Summers Collection** Anthony Summers,2018-04-10 Marilyn JFK Hoover Three provocative works of investigative

Third Series** Library of Congress. Copyright Office,1976 Child Pornography Ian O'Donnell,Claire Milner,2012-12-06 This book explores the enduring appeal of child pornography and its ramifications for criminal justice systems around the world It is based on an extensive review of academic literature and newspaper coverage a trawl of websites frequented by those with a sexual interest in children a survey of how police investigate these offences examination of prosecutors decisions and interviews with judges It provides a framework for understanding the contemporary nature of this problem especially the harms it causes its intimate relationship with new technologies and the challenges it poses to law enforcement authorities The internet plays a pivotal role Its sheer size the anarchic way it grows the lack of any boundaries to its expansion and its disregard for national borders make it a legal environment without parallel An unwavering focus on the threat of sexual abuse has contributed to the emergence of a context where routine dealings with children are viewed through a paedophilic lens This can have the unfortunate consequence of distracting attention from more urgent concerns such as poverty and neglect which make children vulnerable to sexual exploitation In this way an emphasis on the sexualisation of children could be said to aggravate the problem that it sets out to address The book provides a comprehensive analysis of child pornography issues in all of their complexity including legal psychological criminal justice

and social perspectives presents significant volume of original empirical data gathered from police prosecutors and judges includes new qualitative and quantitative information set against a background of shifting international developments The analysis is explicitly comparative draws on a variety of sources including support groups for paedophiles newspaper coverage of court cases involving child pornography victim testimony and police operations *The American Business Encyclopædia and Legal Adviser* John Davis Long, William Powell Wilson, Everett Cephas Bumpus, 1913 *Our Good Name* J. Phillip Merritt, 2010-11-30 The Crisis That Rocked a Country and a Company In April 2004 an illegally leaked U S Army report thrust CACI an information technology company into the international spotlight by casting suspicion on a CACI employee for being either directly or indirectly responsible for the mistreatment of detainees at Abu Ghraib prison in Iraq At the same time pictures from the abuses were shown on national television and tarnished anyone associated with Abu Ghraib including CACI What ensued was a media frenzy rarely seen by any company in recent decades The media twisted the unsupported allegations into a guilty verdict without regard for the facts or the truth creating a damning public perception of CACI Our Good Name recounts how CACI battled to defend itself against erroneous and malicious reports by a rampaging media how it responded to the wide ranging government investigations and how it overcame misplaced anger and criticism that put the company s dedicated employees and excellent reputation even it s future at risk Our Good Name is CACI s story of facing one of the biggest scandals in recent history and coming out honorably with its head high **Room 1219** Greg Merritt, 2013-09-01 In 1921 one of the biggest movie stars in the world was accused of killing a woman What followed was an unprecedented avalanche of press coverage the original trial of the century and a wave of censorship that altered the course of Hollywood filmmaking It began on Labor Day when comic actor Roscoe Fatty Arbuckle then at the pinnacle of his fame and fortune hosted a party in San Francisco s best hotel As the party raged he was alone in room 1219 with Virginia Rappe a minor actress Four days later she died and he was charged with her murder Room 1219 tells the story of Arbuckle s improbable rise and stunning fall from Hollywood s first true superstar to its first pariah Simultaneously it presents the crime story from the day of the orgy through the three trials Relying on a careful examination of documents the book finally reveals after almost a century of wild speculation what most likely occurred in room 1219 In addition Room 1219 covers the creation of the film industry from the first silent experiments to a studio based system capable of making and ultimately breaking a beloved superstar Jackie, Ethel, Joan J. Randy Taraborrelli, 2000-02-03 If ever three women would be changed and challenged by their marriages they would be Jacqueline Bouvier Ethel Skakel and Joan Bennett None of them as radiant brides could have been prepared for the fame tragedies and difficult lives awaiting them As they struggled to cope with their husbands infidelities and scandals the assassinations of Jack and Bobby Kennedy and the harsh glare of constant media attention they would become like sisters reaching out to one another with comfort and consolation But like sisters they would also compete with one another argue and become estranged sometimes for years Now from J Randy Taraborrelli comes a
