Shrapnel In The Heart Letters And Remembrances From The Vietnam Memorial:

Shrapnel in the Heart Laura Palmer,1988-11-05 For the first time one book gives voice to the haunting painful tender and healing tales of those who lost so much in America's least popular war *Tangled Memories* Marita Sturken,1997-02-28 Analyzing the ways U S culture has been formed and transformed in the 80s and 90s by its response to the Vietnam War and the AIDS epidemic Marita Sturken argues that each has disrupted our conventional notions of community nation consensus and American culture She examines the relationship of camera images to the production of cultural memory the mixing of fantasy and reenactment in memory the role of trauma and survivors in creating cultural comfort and how discourses of healing can smooth over the tensions of political events Sturken's discussion encompasses a brilliant comparison of the Vietnam Veterans Memorial and the AIDS Quilt her profound reading of the Memorial as a national wailing wall one whose emphasis on the veterans and war dead has allowed the discourse of heroes sacrifice and honor to resurface at the same time that it is an implicit condemnation of war is particularly compelling The book also includes discussions of the Kennedy assassination the Persian Gulf War the Challenger explosion and the Rodney King beating While debunking the image of the United States as a culture of amnesia Sturken also shows how remembering itself is a form of forgetting and how exclusion is a vital part of memory formation **Historical Memory and Representations of the Vietnam War** Walter L.

Hixson,2000 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company **American Studies** Janice A. Radway, Kevin Gaines, Barry Shank, Penny Von Eschen,2009-03-09 American Studies is a vigorous bold account of the changes in the field of American Studies over the last thirty five years Through this set of carefully selected key essays by an editorial board of expert scholars the book demonstrates how changes in the field have produced new genealogies that tell different histories of both America and the study of America Charts the evolution of American Studies from the end of World War II to the present day by showcasing the best scholarship in this field An introductory essay by the distinguished editorial board highlights developments in the field and places each essay in its historical and theoretical context Explores topics such as American politics history culture race gender and working life Shows how changing perspectives have enabled older concepts to emerge in a different context **The Vietnam War in American Memory** Christian Goodwillie, Jane F.

Crosthwaite,2009 From the very beginning in the 1770s singing was an important part of the worship services of the Shakers formally known as the United Society of Believers in Christ's Second Appearing Yet until the early nineteenth century nearly all Shaker songs were wordless expressed in unknown tongues or as enthusiastic vocalizations Only when Shaker missionaries moved west into Ohio and Kentucky did they begin composing hymn texts chiefly as a means of conveying the sect's unconventional religious ideas to new converts In 1812-13 the Shakers published their first hymnal This venture titled *Millennial Praises* included the texts without music for one hundred and forty hymns and elucidated the radical and feminist theology of the Shakers neatly distilled in verse This scholarly edition of the hymnal joins the texts to original Shaker tunes

for the first time One hundred and twenty six of the tunes preserved in the Society s manuscript hymnals have been transcribed from Shaker musical notation into modern standard notation thus opening this important religious and folk repertoire to modern scholars Many texts are presented with a wide range of variant tunes from Shaker communities in New England New York Ohio and Kentucky Introductory essays by volume editors Christian Goodwillie and Jane F Crosthwaite place Millennial Praises in the context of Shaker history and offer a thorough explication of the Society s theology They track the use of the hymnal from the point of publication up to the present day beginning with the use of the hymns by both Shaker missionaries and anti Shaker apostates and ending with the current use of the hymns by the last remaining Shaker family at Sabbathday Lake Maine The volume includes a CD of historical recordings of six Shaker songs by Brother Ricardo Belden the last member of the Society at Hancock Shaker Village

Trauma and the Memory of Politics Jenny Edkins, 2003-07-31 In this interesting study Jenny Edkins explores how we remember traumatic events such as wars famines genocides and terrorism and questions the assumed role of commemorations as simply reinforcing state and nationhood Taking examples from the World Wars Vietnam the Holocaust Kosovo and September 11th Edkins offers a thorough discussion of practices of memory such as memorials museums remembrance ceremonies the diagnosis of post traumatic stress and the act of bearing witness She examines the implications of these commemorations in terms of language political power sovereignty and nationalism She argues that some forms of remembering do not ignore the horror of what happened but rather use memory to promote change and to challenge the political systems that produced the violence of wars and genocides in the first place This wide ranging study embraces literature history politics and international relations and makes a significant contribution to the study of memory

Memorials to Shattered Myths Harriet Senie, 2016 Memorials to Shattered Myths Vietnam to 9 11 traces the evolution and consequences of a new hybrid paradigm which grants a heroic status to victims of national tragedies and by extension to their families thereby creating a class of privileged participants in the permanent memorial process Harriet F Senie suggests that instead the victims families be able to determine the nature of an interim memorial one that addresses their needs in the critical time between the murder of their loved ones and the completion of the permanent memorial She also observes that the memorials discussed herein are inadvertently based on strategies of diversion and denial that direct our attention away from actual events and reframe tragedy as secular or religious triumph In doing so they camouflage history and seen as an aggregate they define a nation of victims exactly the concept they and their accompanying celebratory narratives were apparently created to obscure

A Vietnam Trilogy, Vol. 3: War Trauma Raymond M. Scurfield, 2006 War Trauma draws on the experience of prior wars for valuable insights to help people who are now in the military or in the healing professions and their families and communities to deal with todays realities of combat and its aftermath which so often entails PTSD post traumatic stress syndrome depression and the risk of suicide This is part three in A Vietnam Trilogy which studies the psychiatric impact of war on soldiers and veterans and their families The effects go on

for decades after the violence occurred and we are still just learning to understand the depth and variety of problems it can cause Further Scurfield documents his proven innovative therapies for treating PTSD This third volume looks at what military and mental health professionals and the Veterans Administration VA should have learned from the Vietnam War in order to better protect American servicemen and servicewomen in later conflicts and to help them recover afterwards The Persian Gulf War for instance had an immense impact on veterans of all wars The author was a national faculty member for joint VA DOD training programs to enhance mental health response readiness for receiving anticipated medical and psychiatric casualties from the Persian Gulf War What he found was a resurgence of selective amnesia and denial about the true impact of war Scurfield notes Chillingly what happened in Vietnam in 1968 69 regarding psychiatric casualties has enormous parallels to what is happening today regarding U S psychiatric casualties from the Iraq War

The Columbia Guide to America in the 1960s David Farber,Beth Bailey,2003-04-09 The 1960s continue to be the subject of passionate debate and political controversy a touchstone in struggles over the meaning of the American past and the direction of the American future Amid the polemics and the myths making sense of the Sixties and its legacies presents a challenge This book is for all those who want to take it on Because there are so many facets to this unique and transformative era this volume offers multiple approaches and perspectives The first section gives a lively narrative overview of the decade s major policies events and cultural changes The second presents ten original interpretative essays from prominent historians about significant and controversial issues from the Vietnam War to the sexual revolution followed by a concise encyclopedia articles organized alphabetically This section could stand as a reference work in itself and serves to supplement the narrative Subsequent sections include short topical essays special subjects a brief chronology and finally an extensive annotated bibliography with ample information on books films and electronic resources for further exploration With interesting facts statistics and comparisons presented in almanac style as well as the expertise of prominent scholars The Columbia Guide to America in the 1960s is the most complete guide to an enduringly fascinating era Asian American Women and Gender Franklin Ng,1999 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company *Military Medical Ethics, Volume 1* ,

How We Are Changed by War D.C. Gill,2010-04-30 How We Are Changed by War examines the changes to Americans during wartime through the medium of their diaries and correspondence beginning with the colonial period of the early seventeenth century and ending with diaries and letters from Iraq War veterans The book clearly discusses and describes the universal themes of war such as reintegration to society and the horrors of war through private writings regardless of the narrator s historical era This allows the writers to speak to each other across time to reveal a profound commonality of cultural experience How We Are Changed by War is a fascinating look at the writings of individuals who served their military in different eras and a great example of how history is shaped by both memory and experience Jacket **Supplement to Vietnam 1964-1973** ,2005 Supplement to Vietnam 1964-1973 Elwood L. White,2005 This bibliography is a supplement

to the Special Bibliography Series Number 80 compiled in 1990 to support the 14th Military History Symposium It is primarily intended as a listing of scholarly works completed since 1990 on the Vietnam War although some works prior to that date are included The bibliography is selected from the holdings on that war housed in the McDermott library United States Air Force Academy and includes books journal articles government publications and technical reports Newspaper articles works of fiction collections of poetry and most personal narratives are not included The Clark Special Collections Branch of the library has extensive primary source materials and artifacts focused on American POW experiences in Southeast Asia Those items are also excluded from this bibliography since they are limited to in house use only Individuals wanting information about that collection should contact the Special Collections Curator and Academy Archivist *Vietnam Shadows* Arnold R. Isaacs, 2000-04-14 Isaacs talks to the veterans unable to forget the war no one wanted to talk about He explores the class divisions deepened by a conflict in which the privileged avoided service that an earlier generation had embraced as a duty And he shows how the Vietnam Syndrome continues to affect nearly every major U S foreign policy decision from the Persian Gulf to Somalia Bosnia and Haiti A Study Guide for Yusef Komunyakaa's "Facing It" Gale, Cengage Learning, 2016 A Study Guide for Yusef Komunyakaa's Facing It excerpted from Gale's acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs **The Vietnam War** Edward Miller, 2016-01-19 The Vietnam War is an outstanding collection of primary documents related to America's conflict in Vietnam which includes a balance of original American and Vietnamese perspectives providing a uniquely varied range of insights into both American and Vietnamese experiences Includes substantial non American content including many original English translations of Vietnamese authored texts which showcase the diversity and complexity of Vietnamese experiences during the war Contains original American documents germane to the continuing debates about the causes consequences and morality of the US intervention Incorporates personal histories of individual Americans and Vietnamese Introductory headnotes place each document in context Features a range of non textual documents including iconic photographs and political cartoons **Encyclopedia of the Veteran in America** William A. Pencak, 2009-10-15 A comprehensive encyclopedia that describes the experiences of American veterans from the Revolutionary War to the present From the American Revolution to today's conflicts in Iraq and Afghanistan Encyclopedia of the Veteran in America captures the experiences and lives of our nation's veterans in a comprehensive unprecedented way It is the first major reference work focused exclusively on an American soldier's view of military life during war and the often difficult return to civilian life and peacetime afterward Encyclopedia of the Veteran in America comprises over 100 insightful entries that include major examinations of the American Revolution Civil War World Wars I and II Korean War Vietnam War and the Gulf Afghan and Iraq Wars plus brief reviews of other conflicts In addition it highlights the specific experiences of

POW MIAs and their families as well as African Americans women and American Indian soldiers Additional entries focus on key historic figures like Theodore Roosevelt and General Douglas MacArthur veterans organizations like the American Legion and the VFW legislative initiatives and the full range of memorials and monuments dedicated to our fighting men and women

Ripcord Keith Nolan,2003-06-03 On April 10 1970 Hill 927 was occupied by troopers of the Screaming Eagles of the 101st Airborne Division By July the activities of the artillery and infantry of Ripcord had caught the attention of the NVA North Vietnamese Army and a long and deadly siege ensued Ripcord was the Screaming Eagles last chance to do significant damage to the NVA in the A Shau Valley before the division was withdrawn from Vietnam and returned to the United States At Ripcord the enemy counterattacked with ferocity using mortar and antiaircraft fire to inflict heavy casualties on the units operating there The battle lasted four and a half months and exemplified the ultimate frustration of the Vietnam War the inability of the American military to bring to bear its enormous resources to win on the battlefield In the end the 101st evacuated Ripcord leaving the NVA in control of the battlefield Contrary to the mantra We won every battle but lost the war the United States was defeated at Ripcord Now at last the full story of this terrible battle can be told **The Vietnam Era** Virginia Schomp,2005 Describes through excerpts from diaries speeches newspaper articles and other documents of the time the Vietnam War and related events that occurred in the United States during the 1960 s including the women s movement the struggle for civil rights
