Edward L. Nash

Shrink Rap Knowledge Card Decks:

Radical Tarot Charlie Claire Burgess, 2023-09-26 A dynamic re envisioning of the tarot including tarot card imagery that describes how the tarot is queer that the archetypes are alive and that tarot doesn't tell the future it creates it Radical Tarot meets the tarot in a space of evolution deconstruction and creation using the historical and common meanings of the cards as a launchpad for digging into limiting beliefs and societal conditioning and unlocking the personal truths beneath The Fool's Journey is re envisioned as a journey to non binary thinking the gender essentialism is ousted from the Major Arcana and the Court Cards and all the cards are reframed through a non hierarchical anti capitalist and intersectional lens The archetypes are re imagined in modern progressive and queered contexts For example The Empress and the body positivity movement Justice not in the legal sense but as ethical discernment and accountability Temperance and transcending the gender binary The Devil and anti capitalism Judgement and revolution Radical Tarot also touches on Charlie's personal story of how tarot helped them embrace their queerness leave their marriage and radically change their life It speaks to their queer awakening and how tarot became for them a tool for social justice and conscious awareness of the world around them Their words and experience will help anyone who wishes to be closer to their own authentic selves *The Direct Marketing Handbook*
