# CHRONO CODE™

Time is like a river current that is absolute. The river flows downward, without changing course. This is an escape from the river's flow...

This is a story of three people who cross time and space to find each other, in an attempt to change destiny. But with a powerful satellite, a secret code and the future police on the hunt, an amnesiac who may be the key to everything must first uncover the true nature of her past... in order to discover who her friends are in the future.
