**10 Women of Mystery** Earl F. Bagnall, 1981 This volume which examines the special contributions of a number of women mystery writers sheds light on this significant example of common interests in recreational reading among women and men and the reasons behind the early and continuing uncharacteristic near equality of both sexes in this field of endeavor

*Encyclopedia of Television Film Directors* Jerry Roberts, 2009-06-05 From live productions of the 1950s like *Requiem for a Heavyweight* to big budget mini series like *Band of Brothers* long form television programs have been helmed by some of the most creative and accomplished names in directing *Encyclopedia of Television Film Directors* brings attention to the directors of these productions citing every director of stand alone long form television programs made for TV movies movie length pilots mini series and feature length anthology programs as well as drama comedy and musical specials of more than 60 minutes Each of the nearly 2 000 entries provides a brief career sketch of the director his or her notable works awards and a filmography Many entries also provide brief discussions of key shows movies and other productions Appendixes include Emmy Awards DGA Awards and other accolades as well as a list of anthology programs A much needed reference that celebrates these often neglected artists *Encyclopedia of Television Film Directors* is an indispensable resource for anyone interested in the history of the medium

**The Doctor in Literature: Private life** Solomon Posen, 2005 This is a structured annotated and indexed anthology dealing with the personality and the behaviour of doctors and doctor patient relationships ideal for medical humanities courses

**Inseparable** Emma Donoghue, 2010-05-25 From a writer of astonishing versatility and erudition the much admired literary critic novelist short story writer and scholar Dazzling *The Washington Post* One of those rare writers who seems to be able to work on any register any time any atmosphere and make it her own *The Observer* a book that explores the little known literary tradition of love between women in Western literature from Chaucer and Shakespeare to Charlotte Brontë Dickens Agatha Christie and many more Emma Donoghue brings to bear all her knowledge and grasp to examine how desire between women in English literature has been portrayed from schoolgirls and vampires to runaway wives from cross dressing knights to contemporary murder stories Donoghue looks at the work of those writers who have addressed the unspeakable subject examining whether such desire

between women is freakish or omnipresent holy or evil heartwarming or ridiculous as she excavates a long obscured tradition of inseparable friendship between women one that is surprisingly central to our cultural history Donoghue writes about the half dozen contrasting girl girl plots that have been told and retold over the centuries metamorphosing from generation to generation What interests the author are the twists and turns of the plots themselves and how these stories have changed or haven't over the centuries rather than how they reflect their time and society Donoghue explores the writing of Sade Diderot Balzac Thomas Hardy H Rider Haggard Elizabeth Bowen and others and the ways in which the woman who desires women has been cast as not quite human as ghost or vampire She writes about the ever present triangle found in novels and plays from the last three centuries in which a woman and man compete for the heroine's love about how and why same sex attraction is surprisingly ubiquitous in crime fiction from the work of Wilkie Collins and Dorothy L Sayers to P D James Finally Donoghue looks at the plotline that has dominated writings about desire between women since the late nineteenth century how a woman's life is turned upside down by the realization that she desires another woman whether she comes to terms with this discovery privately comes out of the closet or is publicly outed She shows how this narrative pattern has remained popular and how it has taken many forms in the works of George Moore Radclyffe Hall Patricia Highsmith and Rita Mae Brown from case history style stories and dramas in and out of the courtroom to schoolgirl love stories and rebellious picaresques A revelation of a centuries old literary tradition brilliant amusing and until now deliberately overlooked

**New York Magazine**, 1986-11-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

**British Writers** Ian Scott-Kilvert, 1997 *The Doctor in Literature, Volume 2* Solomon Posen, 2017-11-22 Focusing on the personal lives of doctors this annotated indexed anthology explores personality behavior and doctor patient relationships as portrayed in novels short stories and plays The Doctor in Literature Volume 2 and its companion volume are unique among medical anthologies in that readers can look up medical topics as they appear in fiction The choice of passages is based on clinical relevance and the range of fully indexed subjects and quotations are generally not found in other texts This work brings together an extraordinary array of passages from literature to provide a major reference source It identifies and analyses recurring themes in the portrayal of medical doctors and is sure to provide pleasure for readers who use it for browsing Key reviews from The Doctor in Literature satisfaction or resentment
