Shyam Benegal:

Shyam Benegal Sangeeta Datta, 2019-07-25 Shyam Benegal is the best known and most prolific contemporary film maker from India's arthouse or New Cinema tradition. This work traces a career with its beginnings in political cinema and a realist aesthetic. Sangeeta Datta demonstrates how the struggles of women and the dispossessed and marginalised in Indian society have found an eloquent expression in films as diverse as Nishant, Bhumika, Mandi, Suraj Ka Satwan, Ghoda and Kalyug. The book also traces Benegal's work with his protagonists and collaborators including many of the biggest names in Indian Cinema: Shabana Azmi, Smita Patil, Naseeruddin Shah, Karishma Kapoor and A.R. Rahman.

Shyam Benegal Samir Chopra, 2020-12-10 For over forty years Shyam Benegal has been one of the leading forces in Indian cinema. Informed by a rich political and philosophical sensibility and a mastery of the art and craft of filmmaking, Benegal is both of and not of Bollywood. As a philosophical filmmaker, Benegal brings to life the existential crisis of the downtrodden Indian: the subaltern, if you will, the serf, the peasant, the woman, and imposes a distinctive philosophical vision on his cinematic reworkings of literary products. To understand Benegal's cinema is to understand through his lens modern India's continued process of political and social becoming. Focusing on the philosophical depth of Benegal's oeuvre, Samir Chopra identifies three key aspects of his work: A trio of films which signalled to middle class India that a revolt was brewing in India's hinterlands; Two sets of movies which make powerful feminist statements and bring viewers into the lives of Indian women by showcasing strong, interesting female characters; Benegal, the master storyteller who possessed of a unique fabulist style, in a reboot of the Indian epic Mahabharata, a Ruskin Bond novel set during the Indian Mutiny of 1857 and a Rashomon-like retelling of an Indian experimental novel where three perspectives converge to form a unified whole.

Bollywood Babylon Shyam Benegal, 2006 Publisher description [Shyam Benegal's India](#) Vivek Sachdeva, 2019-08-15 This book examines Shyam Benegal's films and alternative images of India in his cinema and traces the trajectory of changing aesthetics of his cinema in the post liberalisation era. The book engages with the challenges faced by India as a nation state in post colonial times. Looking at hybrid and complex narratives of films like Manthan, Junoon, Kalyug, Charandas Chor, Sooraj Ka Satvaan, Ghoda, Zubeidaa and Well Done Abba among others, it analyses how these stories and characters adapted and derived from mythology, folk tales, historical fiction and novels are rooted in the socio-political contexts of modern India. The author explores diverse themes in Benegal's cinema such as the loss of home and identity, women's sexuality and the status of dalits and Muslims in India. He also focuses on how the filmmaker expertly weaves history with myth, culture and contemporary politics and discusses the debate around the interpretive value of film adaptations, adaptation of history and the representations of marginalised communities and liminal spaces. The book will be useful for students and researchers of film studies, cultural studies and the humanities. It will also interest readers of Indian cinema and the social and cultural history of India.

desire in Hindi films which comprise one of modern India's most popular cultural narratives. It explores the lineament of evil and the corresponding closure of chastisement or domesticity that appear as necessary conditions for the representation of subversive female desire. The term bad is used heuristically and not as a moral or essential category to examine some of the iconic disruptive women of Hindi cinema and to uncover the nexus between patriarchy and other hierarchies such as class, caste and religion in these representations. The twenty-one essays examine the politics of female desire's from the 1930s to the present day both through in-depth analyses of single films and by tracing the typologies in multiple films. The essays are divided into five sections indicating the various gendered desires and rebellions that patriarchal society seeks to police, silence and domesticate.

The Revolution of Indian Parallel Cinema in the Global South (1968-1995) Omar Ahmed, 2025-01-23. Drawing from over a decade of research and writings, this book takes you on an epic journey through the history of Indian Parallel Cinema, 1968-1995. India, the late 1960s. Something was in the air. A film manifesto penned by passionate cinephiles called for a new cinema. An exciting generation of iconoclastic filmmakers were on the march, the first to graduate from the newly incarnated Film and Television Institute of India, seizing the moment to forge one of the first major post-colonial film movements. What emerged was an unprecedented level of creativity, merging international influences with experimental indigenous styles and creating an aesthetic and thematic rupture and that ultimately led to new ways of making films. But it is a story that has rarely been

told inextricably absent from the parochial Euro centric and linear histories of film This is the story of Indian Parallel Cinema From auteurs like Mani Kaul and John Abraham to Smita Patil and Om Puri The Revolution of Indian Parallel Cinema in the Global South explores the origins evolution demise and legacy of a film movement that produced a pantheon of innovative filmmakers in excess of two hundred films and a distinctly regional identity in which film societies state funding and political insurgency were catalysts for a defiant radical dialogue much of it anti establishment that broke all the rules Most importantly this publication considers the ways in which Parallel Cinema narrated a new history from below using a range of case studies that includes Uski Roti Mirch Masala and Amma Ariyan

Kumar,2014-05-27 We have tried to present an overview of one hundred year old movie history all over the world which has both positive and negative aspects for the creator and the viewer This is especially true of the three leading commercial centersBollywood Bombay Hindi movies Hollywood USA and Japan Images moved in 1892 and started talking in 1923 in The
