Siddur Hatefillah Eliezer Schweid, 2022-08-30 Hebrew University Professor Emeritus and Israel Prize recipient Eliezer Schweid 1929 2022 is widely regarded as one of the greatest historians of Jewish thought of our era In Siddur Hatefillah he probes the Jewish prayer book as a reflection of Judaism's unity and continuity as a unique spiritual entity and as the most popular most uttered and internalized text of the Jewish people Schweid explores texts which process religious philosophical teaching into the language of prayer and or express philosophical ideas in prayer's special language which the worshipper reflects upon in order to direct prayer and through which flows hoped for feedback With the addition of historical philological and literary contexts the study provides the reader with first time access to the comprehensive meaning of Jewish prayer filling a vacuum in both the experience and scholarship of Jewish worship
