

A black and white photograph of a dense forest. The foreground is filled with the intricate, bare branches of trees, some of which are thick and dark. In the background, a calm body of water is visible, reflecting the light. The overall atmosphere is quiet and somewhat somber.

Steele,2013-11-01 Among the many upheavals in North America caused by the French and Indian War was a commonplace practice that affected the lives of thousands of men women and children being taken captive by rival forces Most previous studies of captivity in early America are content to generalize from a small selection of sources often centuries apart In Setting All the Captives Free Ian Steele presents from a mountain of data the differences rather than generalities as well as how these differences show the variety of circumstances that affected captives experiences The product of a herculean effort to identify and analyze the captives taken on the Allegheny frontier during the era of the French and Indian War Setting All the Captives Free is the most complete study of this topic Steele explores genuine doctored and fictitious accounts in an innovative challenge to many prevailing assumptions and arguments revealing that Indians demonstrated humanity and compassion by continuing to take numerous captives when their opponents took none by adopting and converting captives into kin during the war and by returning captives even though doing so was a humiliating act that betrayed their societies values A fascinating and comprehensive work by an acclaimed scholar Setting All the Captives Free takes the study of the French and Indian War in America to an exciting new level The New International Encyclopædia Daniel Coit Gilman,Harry Thurston Peck,Frank Moore Colby,1907 1300 Moons David D Plain,2013-07-30 1300 Moons is based on the life story of Saulteaux Ojibway Chief Kioscance or Young Gull who lived during the French regime in North America ca 16401748 It follows his lifes journey from a youth through his years as a warrior to becoming a great war chief to becoming an elder on the council Young Gull led his people south after the Iroquois War to establish them at Aamjiwnaang at the foot of Lake Huron 1300 Moons contains a strong storyline a sense of suspense with drama and good character development Descriptions of places and events are good and engaging to the reader It brings out many human elements of trust pride fear accomplishment as well as feelings of love of land territory and spirituality Pontiac's War Richard Middleton,2012-11-12 Pontiac s War Its Causes Course and Consequence 1763 1765 is a compelling retelling of one of the most pivotal points in American colonial history in which the Native peoples staged one of the most successful

*The Archaeology of Native-Lived Colonialism* Neal Ferris,2011-10 In reconsidering Native adaptation and resistance to colonial British rule Ferris reviews five centuries of interaction that are usually read as a single event viewed through the lens of historical bias He first examines patterns of traditional lifeway continuity among the Ojibwa demonstrating their ability to maintain seasonal mobility up to the mid nineteenth century and their adaptive response to its loss He then looks at the experience of refugee Delawares who settled among the Ojibwa as a missionary sponsored community yet managed to maintain an identity distinct from missionary influences And he shows how the archaeological history of the Six Nations Iroquois reflected patterns of negotiating emergent colonialism when they returned to the region in the 1780s exploring how

families managed tradition and the contemporary colonial world to develop innovative ways of revising and maintaining identity

Rites of Conquest Charles E. Cleland, 1992 For many thousands of years before the arrival of Europeans Michigan's native peoples the Anishnabeg thrived in the forests and along the shores of the Great Lakes. Theirs were cultures in delicate social balance and in economic harmony with the natural order. Rites of Conquest details the struggles of Michigan Indians the Ojibwa Ottawa and Potawatomi and their neighbors to maintain unique traditions in the wake of contact with Euro Americans. The French quest for furs the colonial aggression of the British and the invasion of native homelands by American settlers is the backdrop for this fascinating saga of their resistance and accommodation to the new social order. Minavavana's victory at Fort Michilimackinac Pontiac's attempts to expel the British Pokagon's struggle to maintain a Michigan homeland and Big Abe Le Blanc's fight for fishing rights are a few of the many episodes recounted in the pages of this book from back cover
