Siege Of Shangri La The Quest For Tibets Sacred Hidden Paradise:

The Siege of Shangri-La Michael McRae, 2012-04-25 The story of the quest for a real life Shangri La in the darkest heart of the Himalayas a century long obsession to reach the sacred hidden center of one of the world's last uncharted realms At the far eastern end of the Himalayas in Tibet lies the Tsangpo River Gorge known as the great romance of geography during the nineteenth century's golden age of exploration Here the mighty Tsangpo funnels into an impenetrable canyon three miles deep walled off from the outside world by twenty five thousand foot peaks Like the earthly paradise of Shangri La immortalized in James Hilton's classic 1933 novel Lost Horizon the Tsangpo River Gorge is a refuge revered for centuries by Tibetan Buddhists and later in Western imagination as a sanctuary in times of strife as well as a gateway to nirvana The Siege of Shangri La tells the story of this fabled land's exploration as both a geographical and spiritual destination and chronicles the discovery at the end of the last millennium of the truth behind the myths and rumors about it Veteran journalist Michael McRae traces the gorge's exploratory history from the clandestine missions of surveyor spies called pundits and botanical expeditions of naturalists in the early twentieth century to the recent investigations of scholars adventurers and pilgrims seeking the Hidden Falls of the Tsangpo which purportedly rivals Niagara in size and serves as the gateway to paradise Each explorer's narrative provides increasing evidence of why the gorge has been mythologized in Eastern and Western lore as one of the world's most alluring blanks on the map and a supreme test of human will Taking readers on a guided tour of the gorge's landscape physical and metaphysical McRae presents an insightful look at the pursuit of glory and enlightenment that has played out in this mysterious land with sometimes disastrous consequences The Siege of Shangri La is a fascinating journey through the inner recesses of a remote mystical world and the minds of those who have attempted to reach it From the Hardcover edition

Britain and Tibet 1765-1947 Julie G. Marshall, 2005 This bibliography is a record of British relations with Tibet in the period 1765 to 1947 As such it also involves British relations with Russia and China and with the Himalayan states of Ladakh Lahul and Spiti Kumaon and Garhwal Nepal

Sikkim Bhutan and Assam in so far as British policy towards these states was affected by her desire to establish relations with Tibet It also covers a subject of some importance in contemporary diplomacy It was the legacy of unresolved problems concerning Tibet and its borders bequeathed to India by Britain in 1947 which led to border disputes and ultimately to war between India and China in 1962 These borders are still in dispute today It also provides background information to Tibet s claims to independence an issue of current importance The work is divided into a number of sections and subsections based on chronology geography and events The introductions to each of the sections provide a condensed and informative history of the period and place the books and article in their historical context Most entries are also annotated This work is therefore both a history and a bibliography of the subject and provides a rapid entry into a complex area for scholars in the fields of international relations and military history as well as Asian history

Water Brahma Chellaney, 2013-07-25 This is a pioneering study about the relationship between fresh water peace and security in Asia from the Middle East to Siberia but with a special focus on South and Southeast Asia Asia is home to many of the world s great rivers and lakes but its huge population and booming economies make it the most water scarce continent on a per capita basis Over extensive irrigation pollution and global warming add to the demographic and economic pressures on Asia s fresh water supplies The location of the sources for much of South and Southeast Asia s fresh water is in the Chinese controlled Tibetan Plateau and China s increasing exploitation of these water sources have created growing geopolitical tensions that could boil over into conflict India is reliant on fresh water from Tibet which gives the Chinese uncomfortable leverage over India and further exacerbates their unsettled border disputes Vietnam Bangladesh Pakistan and other countries of the region also find themselves in similarly vulnerable positions where water is scarce and the sources are increasingly being exploited and polluted upstream by the continent s most powerful country Brahma Chellaney proposes strategies to avoid conflict and more equitably share and preserve Asia s water resources

The Environment in Anthropology Nora Haenn, Richard Wilk, 2006 Presenting ecology and current environmental studies from an anthropological point of view this book gives readers a strong intellectual foundation as well as offering practical tools for solving environmental problems

The World Water Crisis Stephen Brichieri-Colombi, 2008-10-30 In the last decade water resources planners have frequently signalled an impending water crisis The message is that the world is running out of water and that only by careful planning and the adoption of integrated water resources management can catastrophe be avoided Stephen Brichieri Colombi challenges these perceptions He maintains that the crisis is one of resource management rather than availability it arises because water resource planners advocate exploitation of rivers without due regard to social environmental and geopolitical consequences The author advances a new paradigm water in the national economy which will enable developing countries to meet future food and water demands without increasing abstraction from rivers and consequential riparian conflict This is a powerful re appraisal of the development of global water resources

Teaching Multiwriting Robert L. Davis, Mark F Shadle, 2007-04-23 Formulaic ways to train students in composition and rhetoric are no longer effective say authors Robert L Davis and Mark F Shadle Scholar teachers must instead reinvent the field from the inside Teaching Multiwriting Researching and Composing with Multiple Genres Media Disciplines and Cultures presents just such a reinvention with multiwriting an alternative open approach to composition Seeking to open the minds of both writers and readers to new understandings the authors argue for the supplanting of the outdated research paper assignment with research projects that use multiple forms to explore questions that cannot be fully answered This innovative volume geared to composition teachers at all levels includes sixteen helpful illustrations and provides classroom exercises and projects for each chapter
