Sierra Stories True Tales Of Tahoe Volume Two:

Sierra Stories Mark McLaughlin, 1997 **Tahoe Tales of Bygone Days and Memorable Pioneers** Don Lane, 2004-11-24 The manuscript is a collection of short stories that were originally prepared as part of a radio program that began in the early 1980s as a summer informational and educational program for Tahoe area residents and tourists. Between 1982 and 1985 the author presented more than one hundred radio tales about Tahoe's history and the environment over Tahoe radio station KTHO AM 590. Lane returned to the radio airways in 1995 this time with radio station KOWL AM 1490 and has since broadcast more than two thousand tales. Don Lane's Tales of Tahoe The manuscript is a distinctive mixture of stories about the events large and small that shaped and changed the region and simple stories about the people that once lived in our region during the past 150 years. Stories about pioneer men and women, gold seekers and adventurers. Tales about the unique characters the famous like the Donner's, Mark Twain, John Sutter and James Marshall and John Fremont along with the powerful and the forgotten. The manuscript weaves serious history with light hearted tales with a minimum of editorializing as the emphasis has been on maintaining historical integrity and authenticity. The stories gathered from old journals, archives and historical records are both entertaining and educational. And hopefully too, this manuscript will contribute to an increased awareness of our regional history and a greater appreciation for those people that have been lost inside the pages of history.
