The History of Chinese Ceramics Lili Fang,2023-05-23 Adopting the perspective of anthropology of art and combining

it with global academic insights this book helps the readers to recognize that history is in great measure the record of human activity which spreads from the local to the regional from the regional to the global and from the global to the universal Readers will learn that China was not only the first country to create porcelain but also the first to export it to the world both the products and its techniques Therefore the history of Chinese ceramics reflects the history of Chinese foreign trade on the one hand and depicts the expansion of Chinese ceramic techniques and cultures on the other In addition to ceramics types molds decoration and techniques the book analyzes the spiritual impacts and aesthetic conceptions embodied in the utensils of daily use by the Chinese literati Therefore it reaches the conclusion that ideological systems and not technological systems are what bring about social revolutions In addition the book is richly illustrated with pictures of earthenware and finely glazed pieces from later periods

Encyclopaedia of Books on China Arthur Probsthain,1927 **Bagan and the World** Goh Geok Yian,John Miksic,Michael Aung-Thwin,2017-10-30 The archaeological site of Bagan and the kingdom which bore its name contains one of the greatest concentrations of ancient architecture and art in Asia Much of what is visible today consists of ruins of Buddhist monasteries While these monuments are a major tourist attraction recent advances in archaeology and textual history have added considerable new understanding of this kingdom which flourished between the 11th and 14th centuries Bagan was not an isolated monastic site its inhabitants participated actively in networks of Buddhist religious activity and commerce abetted by the site's location near the junction where South Asia China and Southeast Asia meet This volume presents the result of recent research by scholars from around the world including indigenous Myanmar people whose work deserves to be known among the international community The perspective on Myanmar's role as an integral part of the intellectual artistic and economic framework found in this volume yields a glimpse of new themes which future studies of Asian history will no doubt explore
