The Feminine Principle in the Sikh Vision of the Transcendent

Nikky-Guninder Kaur Singh, 1993-09-24 This work is a critical analysis of Sikh literature from a feminist perspective. It begins with Guru Nanak's vision of Transcendent Reality and concludes with the mystical journey of Rani Raj Kaur, the heroine of a modern Punjabi epic. The eight chapters of the book approach the Sikh vision of the Transcendent from historical, scriptural, symbolic, mythological, romantic, existential, ethical, and mystical perspectives. Each of these discloses the centrality of the woman and shows convincingly that Sikh Gurus and poets did not want the feminine principle to serve merely as a figure of speech or literary device; it was intended rather to pervade the whole life of the Sikhs. The present work bolsters the claim that literary symbols should be translated into social and political realities and in so doing puts a valuable feminist interpretation on a religious tradition which has remained relatively unexplored in scholarly literature.

Sikh Religion, Culture and Ethnicity Arvind-Pal S. Mandair, Christopher Shackle, Gurharpal Singh, 2013-12-16 This book brings together new approaches to the study of Sikh religion, culture, and ethnicity being pursued in the diaspora by Sikh academics in western universities in Britain and North America. An important aspect of the volume is the diversity of topics that are engaged, including film and gender theory, theology, hermeneutics, deconstruction, semiotics, and race theory, and brought to bear on the individual contributors' specialism within Sikh studies, thereby helping to explode previously static dichotomies such as insider vs outsider or history vs tradition. The volume should have strong appeal both to an academic market including students of politics, religious studies, and South Asian studies, and to a more general English-speaking Sikh readership.

Journal of Global Religious Vision, 2002

The Medieval & Early Modern World Merry E.

Wiesner, Merry E. Wiesner-Hanks, 2005-06-23 Cultural life flourished from the mid-fifteenth century in the Italian city-states, many of which profited from the new trading opportunities that growing world networks permitted. Contact among regions of the world expanded, bringing new ideas and prompting an appreciation of arts and letters not only of the present but of the past. In Italy, this cultural flowering was known at first as the renaissance of arts and letters, soon shortened to just Renaissance, to accommodate cultural ingredients that came from beyond Europe. Italian and northern European cultural expansion benefited from similar retrieval of ancient knowledge in the Islamic world and East Asia. Like the Italians, the Chinese had grown even wealthier from the extensive links to global commerce provided by the Mongol Empire, but once thrown off, their cultural life flourished under the Ming. Cultural knowledge and the arts spread across Asia and into Europe. As part of state building, the Ming nourished commerce but also rejected the cosmopolitan Buddhist legacy that arrived from

central and south Asia To strengthen dynastic Chinese rule the Ming challenged Buddhism with a revival of age old concern for the Confucian values that had languished under the Mongols Foremost among these new Confucians was Wu Yube so expert in his teachings that he attracted a wide coterie of disciples In India Nanak an educated employee of an Afghan prince sparked the founding of Sikhism A similar search for reviving fundamental religious values occurred in Europe where Martin Luther challenged the practices of the Catholic church ushering in Protestantism Religious reform and resistance to it were closely connected to the state building efforts of enterprising monarchs such as Henry VIII of England India likewise experienced a fervent movement to revive pure ancient religious practices Fourteenth and fifteenth century global trade and long distance ventures such as those made by the Ming and then by the Portuguese further inspired and advanced these worldwide cultural and political developments A brisk Indian Ocean trade flourished Economic change ensued with the arrival of New World silver on the global market The advance of printing not only furthered the cause of religious reform and state building globally it also helped globalize knowledge and intellectual experimentation People of great power and those of more limited means came to live their lives differently because of this expanding web of shared knowledge and trade Cities flourished the enslavement of native Americans came to replace their use as human sacrifices and diseases migrated at a more rapid pace and greater devastation than perhaps ever before

The Spiritual Vision of Frank Buchman Philip Boobbyer,2013-05-24 The Spiritual Vision of Frank Buchman is an in depth look at the life spirituality and ideology of one of the most original figures in twentieth century religion Frank Buchman 1878 1961 the Pennsylvania born initiator of the movement known as the Oxford Group and Moral Re Armament was a Lutheran pastor who first had influence as a college evangelist and missionary with the YMCA His thinking then evolved during the 1930s the Second World War and the early Cold War as he tried to develop a world philosophy that could offer an answer to war and materialism His impact was particularly felt in the areas of conflict resolution between nations and interfaith dialogue and Alcoholics Anonymous also owed much to his methods Philip Boobbyer s book is the first scholarly overview of Buchman s ideas and is an important addition to the growing corpus of academic literature on his worldwide outreach Boobbyer shows how his work reflected broader processes in twentieth century religion and politics and can be seen as a spiritual response to an emerging global society

International Bibliography of Sikh Studies Rajwant Singh Chilana,2006-01-16 The International Bibliography of Sikh Studies brings together all books composite works journal articles conference proceedings theses dissertations project reports and electronic resources produced in the field of Sikh Studies until June 2004 making it the most complete and up to date reference work in the field today One of the youngest religions of the world Sikhism has progressively attracted attention on a global scale in recent decades An increasing number of scholars is exploring the culture history politics and religion of the Sikhs The growing interest in Sikh Studies has resulted in an avalanche of literature which is now for the first time brought together in the International Bibliography of Sikh Studies This monumental work lists over 10 000

English language publications under almost 30 subheadings each representing a subfield in Sikh Studies The Bibliography contains sections on a wide variety of subjects such as Sikh gurus Sikh philosophy Sikh politics and Sikh religion Furthermore the encyclopedia presents an annotated survey of all major scholarly work on Sikhism and a selective listing of electronic and web based resources in the field Author and subject indices are appended for the reader s convenience

The Sikh Vision of Heroic Life and Death Nirbhai Singh,2006 **Religious and Spiritual Practices in India** Kamlesh Singh,Gaurav Saxena,2023-07-31 This book explores the positive psychological aspects of religion and spirituality in the Indian context It discusses the concepts and practices of Hinduism Islam Buddhism Christianity Jainism and Sikhism and their impact on overall well being As the global enthusiasm for Indian spirituality grows this book brings together scholars to share their perspectives and reflections on various religious aspects The chapters offer readers a psychological capsule of mental health well being compassion kindness character strength mind body relationship and mindfulness providing practical strategies for a better quality of life Furthermore this book offers insights into the different perspectives of happiness and well being measured across diverse demographics It also provides a qualitative conceptualization of happiness among older people reflections on positive aging and highlights the facilitators and inhibitors of happiness With its comprehensive coverage and multidisciplinary approach this book serves as a valuable reference for postgraduate and doctoral students of Psychology as well as a treasure trove in the libraries for researchers and faculties associated with spiritual psychology positive psychology religious studies comparative literature mental health professionals academicians and anyone interested in allied health fields **A Complete Guide to Sikhism** Jagraj Singh,2009 **The Sikh View on Happiness** Kamala Elizabeth Nayar,Jaswinder Singh Sandhu,2020-04-16 Sukhmani The Pearl of Happiness is a popular Sikh text by Guru Arjan which inculcates the Sikh religious ethos and philosophical perspective on wellbeing and happiness The book features a new translation of this celebrated Sikh text and provides the first in depth analysis of it The Sikh View on Happiness begins with an overview of the nature of suffering and the attainment of happiness in Indian religions This provides the foundation for the examination of the historical social and religious context of the Sukhmani and its contribution to the development of the Sikh tradition In addition to exploring the spiritual teachings of the Sukhmani Nayar and Sandhu draw upon the Sikh understanding of the mind illness and wellbeing to both introduce key Sikh psychological concepts and illustrate the practical application of traditional healing practices in the contemporary context In doing so they highlight the overlap of the teachings in the Sukhmani with concepts and themes found in Western psychotherapy such as mindfulness meaningful living and resilience *Sikh Dynamic Vision* Nirbhai Singh,2003 The Present Work Is A Rare Feat Of Critical And Candid Analysis Of The Religious Philosophies For Cleansing The Prevalent Shoddy Interpretations Of The Kernal Concepts Of Sikh Philosophy For Illuminating The Sikh Epiphany Of Ecstasy Voluntarism And The Khalsa *The Sikh Vision, Problems of Philosophy and Faith* Wazir Singh,1992 This book portrays the Supreme Reality in five facets discusses the issues of Divine

G. Reagle,2025-04-11 In writing this book I set out with two main goals to create an accessible resource for anyone curious about life s big questions and to satisfy my own quest for answers While I often find the answers I seek they frequently lead to more questions especially on the nature of good and evil This concept has long intrigued me and for many it s a central question about God Over the past forty years I ve explored these questions across the globe and contemplating the universe s mysteries While my conclusions may not resonate with everyone I hope to guide readers in finding answers that bring them peace Understanding good and evil can be deeply personal and I believe there s no single right answer what matters is discovering a perspective that aligns with your beliefs Various perspectives on good and evil emerge from religion philosophy and influential thinkers each offering unique insights Some overlap while others diverge significantly I invite you to consider questions like What defines good and evil for you Are they universal or culturally specific Is there a moral foundation and if so whose morals are they These reflections can encourage deeper exploration and build empathy
