

THE SILENT REBELLION

A sepia-toned, misty landscape. In the foreground, a small, dark boat is partially visible on the left. The middle ground is filled with several tall, bare trees with intricate branch structures. The background is a soft, hazy expanse of water or a distant shore, with a warm, golden light filtering through the mist, creating a somber and atmospheric scene.

This is the story of faith that endures through generations, a legacy of scripture and sacrifice leading to the arrival of the long-awaited Messiah.

Lower than the Angels Diarmaid MacCulloch, 2025-04-15. A magisterial new history. The New York Times. An epic tale and MacCulloch is an undaunted guide. New York Review of Books. A groundbreaking history of sexual emotion, sexual activity, gender relations, marriage and the family and how Christianity has interacted with this panorama of human concerns. Few matters produce more public interest and public anxiety than sex and religion. Much of the political contention and division in societies across the world centres on sexual topics and one third of the global population is Christian in background or outlook. The issue goes to the heart of present-day religion. This book seeks to calm fears and encourage understanding through telling a three-thousand-year-long tale of Christians encountering sex, gender and the family. The message of *Lower than the Angels* is simple, necessary and timely: to pay attention to the complexity and contradictions in the history of Christianity. The reader can decide from the story told here whether there is a single Christian theology of sex or many contending voices in a symphony that is not at all complete. Oxford's Emeritus Professor of the History of the Church introduces an epic of ordinary and extraordinary Christians trying to make sense of themselves and of humanity's deepest desires, fears and hopes.

The Cowley Fathers Serenheidd James, 2019-07-30. The Society of St John the Evangelist, otherwise known as the Cowley Fathers, was the first men's religious order to be founded in the Church of England since the Reformation as a result of the spread and influence of the Oxford Movement and its Anglo-Catholic spirituality in the 19th century. Established in Oxford in 1866, its charismatic founder, Richard Meux Benson, worked closely with American priests and just four years later a congregation was founded in Massachusetts that flourishes to this day. The charism of the order embraced high regard of theology with practical service fostered by an emphasis on prayer and personal holiness. Cowley, a poor and rapidly expanding village on the outskirts of Oxford, provided ample opportunity for service. At its height, the English congregation had houses in Oxford, now St Stephen's House, and Westminster, where figures such as C. S. Lewis sought spiritual direction. Now no longer operating as a community in Britain, this definitive and comprehensive history records its significant contribution to Anglicanism then and now.

Ce volume traite des concepts de la sainteté et de la spiritualité chrétiennes de l'Antiquité tardive jusqu'au Moyen Âge. Le premier groupe d'études se concentre sur les Pères du Désert les suivants font l'examen de personnages clés dans l'histoire monastique de l'Occident médiéval s'attachant avant tout l'Angleterre et Bède et Anselme de Cantorbéry. Benedicta Ward pour propos constant de trouver une approche rendent tout son sens la littérature chrétienne et notamment la littérature hagiographique miracles et autres. Bien que valable ces deux niveaux ceci ne devrait pas être perçu souligné elle en tant que simple biographie ni en tant que source d'information sur l'histoire sociale. L'objet premier de ces Vies est d'ordre religieux toute négligence de ce sens peut mener une compréhension fondamentale de ces textes.
