Long Night's Journey into Day James Emery White, 2010-12-29 Struggling with life's dark side Longing for change Begin the journey toward a transformed life Many of us look at our lives and wish we could experience lasting life change We long to live in the light of our relationship with God but find that we often reside in the troubling darkness of temptation It's time to step onto the path that God has laid out for us the only path that will lead us toward the life we long for It's time to embark on a Long Night's Journey into Day Using three keys found in Scripture you can embark on the journey that leads to personal transformation Lay hold of the desire knowledge and power that make it possible to move away from sin and replace it with life giving virtue As pastor and author James Emery White examines the eight basic sins from which all others grow he also reveals the virtues that counter each sin By recognizing sin for what it is and practicing the virtues that offset it we can journey toward lasting life change that draws from God's incredible power Find out what can happen to a life lived in full partnership with the living God Set out on the path of personal transformation the life that becomes a Long Night's Journey into Day
