Brook Weathersby, 2022-04-14 Being brought up by loving parents in a Christian home didnt t prepare Jenna for what the world would teach her A naturally optimistic and happy girl would soon learn the shock of cruelty and abuse the pain of a broken heart and the strength that it took to rebuild a broken life More importantly she would learn the importance of seeking God s will listening for His voice and accepting His forgiveness Mistakes seemed to be a regular occurrence in her life and with each she learned more about the Grace and Mercy of God and the faithfulness of his love Robbed of her innocence confidence and self esteem and faced with the reality that life was almost never ideal Jenna sought to accept reality without becoming hard or cynical Seeking refuge in the arms of God and the shelter of her parents gave Jenna the place to reflect and grow as she healed and gained strength to begin again **The Long Road Back to Arnhem** John Sliz, 2018-12-28 After their famous evacuation of the 1st British Airborne Division during

The Long Road Home... Richard McKenzie Neal,2009-11-18 By this point in our lives my target readers weve all heard the old adage You cant go home But what does it mean As life winds down and the drone of existence begins to wane I m feeling an intangible desire or need to reach back into my past and reconnect with a by gone time and people living and or dead It feels like an elusive melody that seems distantly familiar yet strange and unidentifiable If all the above sounds like a premonition of the inevitable I agree and accept that my time is ticking away But its not about dyingits about going home Im not afraid of dying but I do struggle with the reality that I will no longer physically exist I have to wonder if the term going home isnt a misnomer and maybejust maybe were trying to return to Neverland Fridays With Landon When we were very young we searched for that elusive utopian communityand studies have shown that in our declining years we slowly revert to our childhood Another line of thought is that its all just a mirage We know and accept that a man can be dying of thirst in the middle of the driest desert and his mind will anesthetize him by creating the illusion of an oasis If we can acknowledge that phenomenon the minds coping mechanism then it shouldnt be much of a stretch to reason that the elderly possess those same innate coping capabilities to ease their journey home Of course their mirage would be about going home not to a place but to another time What is the driver for this apparently universal pilgrimage I have to wonder even compare it to an addicts motivation The Path to Addiction one more trip down that path of pleasant memories even as the host is being sacrificed

The Long Road Home William Craig,2021-05-07 The Long Road Home is a story about a young man who heads out west with a belly full of pride and self reliance only to fall headlong into foolishness and crash to the ground with his face in the mud There he learns the things that are really important Through repentance redemption reconciliation and restoration he learns that faith family and friends require love sacrifice and commitment Be not deceived God cannot be mocked what a man sows that will he reap Galatians 6 7

Long Road Home Yong Kim,2009-06-19 Kim Yong shares his harrowing account of life in a labor camp a singularly despairing form of torture carried out by the secret state Although it is known that gulags exist in North Korea little information is available about their organization and conduct for prisoners rarely escape both incarceration and the country alive Long Road Home shares the remarkable story of one such survivor a former military official who spent six years in a gulag and experienced firsthand the brutality of an unconscionable regime As a lieutenant colonel in the North Korean army Kim Yong enjoyed unprecedented privilege in a society that closely monitored its citizens He owned an imported car and drove it freely throughout the country He also encountered corruption at all levels whether among party officials or Japanese trade partners and took note of the illicit benefits that were awarded to some and cruelly denied to others When accusations of treason stripped Kim Yong of his position the loose distinction between those who prosper and those who suffer under Kim Jong il became painfully clear Kim
