## Long Way To Shiloh:

**A Long Way to Shiloh** Lionel Davidson, 1966      *From Gaelic to Romantic*, 2023-12-21 The appearance of James Macpherson's Ossian in the 1760s caused an international sensation The discovery of poetic fragments that seemed to have survived in the Highlands of Scotland for some 1500 years gripped the imagination of the reading public who seized eagerly on the newly available texts for glimpses of a lost primitive world That Macpherson's versions of the ancient heroic verse were more creative adaptations of the oral tradition than literal translations of a clearly identifiable original may have exercised contemporary antiquarians and contributed eventually to a decline in the popularity of Ossian Yet for most early readers as for generations of enthusiastic followers what mattered was not the accuracy of the translation but the excitement of encountering the primitive and the mood engendered by the process of reading The essays in this collection represent an attempt by late twentieth century readers to chart the cultural currents that flowed into Macpherson's texts and to examine their peculiar energy Scholars distinguished in the fields of Gaelic German Irish Scottish French English and American literature language history and cultural studies have each contributed to the exploration of Macpherson's achievement with the aim of situating his notoriously elusive texts in a web of diverse contexts Important new research into the traditional Gaelic sources is placed side by side with discussions of the more immediate political impetus of his poetry while studies of the reception of Ossian in Scotland Germany France and England are part of the larger recognition of the cultural significance of Macpherson's work and its importance to issues of fragmentation liminality colonialism national identity sensibility and gender      *The Stars for a Light* Lynn Morris, 2011-09-01 She had a dream but reaching her goal seemed as dark as night Fresh from medical school in the 1860s and a woman at that the young Dr Cheney Duvall struggles to find a position She has almost given up hope when Asa Mercer turns up He wants her services to chaperone and care for two hundred brides to be on a sea voyage from New York to Washington Territory Cheney jumps at the opportunity Accompanied by an unlikely nurse Shiloh Irons Cheney finds herself facing an arduous voyage and dangers for which her medical training didn't prepare her      **A Woman's Voice** Marcella Bakur Weiner, Blema Feinstein, 2001 A Woman's Voice examines the themes reflected in the stories of women in the Bible and relates these motifs directly to the lives of women today Marcella Bakur Weiner and Blema Feinstein celebrate the ideas and lessons found in traditional Jewish sources and explain their relevance for contemporary women      Secret Place of Thunder Lynn Morris, 2021-04-18 A disturbing letter from Cheney's great aunts brings her to their New Orleans plantation but what she discovers is more dangerous than she imagined Performing rituals and warnings leading to mysterious illnesses and crop failure a cult is trying to scare Cheney's relatives off the land Can she unearth the group's sudden interest in the plantation before it's too late      *The Longest Night* David J Eicher, 2002-03-30 A riveting indispensable history of the Civil War told chronologically from the first shots fired at Fort Sumter to the surrender in the summer of 1865 a conflict that James McPherson in the Foreword calls the most dramatic

violent and fateful experience in American history In this compelling account of the American Civil War noted historian David Eicher gives us an authoritative history of battle from the first shots at Fort Sumter to Lee's surrender at Appomattox As a strictly military history *The Longest Night* covers hundreds of engagements both well known and obscure including the oft neglected Western theater and naval actions along the coasts and rivers The result is a gripping popular history that will fascinate anyone just learning about the Civil War while offering more than a few surprises for longtime students Drawing on hundreds of sources and excerpts from correspondence by those who fought the war *The Longest Night* conveys a real sense of life and death on the battlefield In addition Eicher analyzes each side's evolving strategy examines the tactics of Lee Grant Johnston and Sherman and discusses significant topics such as prisons railroads shipbuilding clandestine operations and the role of African Americans in the war This is an definitive chronicle of the war that as the author writes like no other conflict in our history casts a long shadow onto modern America

**The Eternal Masquerade** Vincent Thurman,2015-12-09 Intriguing suspenseful and compelling *The Eternal Masquerade* takes readers through the next phase of *The Eternal Darkness* saga As *The Eternal Secrets* came to an end readers witnessed the betrayal and heartbreak between Jenessa and Camden and the lengths Seth Crenshall would go in order to achieve his desires Deceptions played a major part in the many friendships and family reunions and in the end demolished any hopes of family connections Haven Crest is a town that harbors conniving and deadly secrets The power struggles are revealed as the dead body count starts to rise The Committee and Reverend Carl Wardrett fight for the same cause of protecting the innocent residents of Haven Crest but there are different views as to what keeps the battle lines drawn between right and wrong As the various masquerades are revealed in this story one in particular will have readers on the edge of their seats until the very end Readers can now enjoy twists and turns that leave them speechless as they enter *The Eternal Masquerade*
