**Stories About Cats and Dogs, and Various "Critters."** Pat Morrell-Donnelly, 2019-02-23 As the title states this book  
contains stories and poems about cats and dogs It relates the joy and pleasure they brought to their owners and the grief  
experienced when their pet passes away Pat has written these poems and stories over time about the animals life and after  
some of the animals passed on The aim and purpose of the book is to help young people starting with preteens deal with grief  
through the reading of these stories and poems It tells about the lives of these special cats and dogs This is a self help book  
of sorts It is Pat's hope that it will help preteens teenagers young adults and even adults who have lost pets to know that  
others have also lost pets how difficult it was and how they dealt with the loss of the pet Sometimes it helps when one pet  
dies to immediately get another one That is sometimes difficult as you feel no other pet can replace the one you lost It is a  
blessing that many people rescue pets from the pound and animal shelters There are also organizations that rescue dogs  
from being euthanized Dogs and cats have meant much to many in different ways They can be a therapy to senior citizens  
and shut ins They lift us up when we are having a bad day The pets were given a good home They were given love They were  
like family They gave unconditional love in return The book includes pictures of the cats and dogs that go along with the  
stories and poems For those of you who have had animals you loved and lost other animal lovers can feel your pain Hopefully  
these poems and stories will serve to let you know others grieve as you do You are not alone      **The Warfare of Divided**
