Long Range Planning, 1971 *Air Force Journal of Logistics*, 1985 **Long-Range Planning of Japanese Corporations** Toyohiro Kono, 2015-02-06 This book tries to describe the formal long range planning process of Japanese corporations to analyze the formal strategic decision making process and to find theories through this analysis **Strategic Planning** George A. Steiner, 2010-06-15 In today's complex world of business strategic planning is indispensable to effective management Ever since the mid 1950's when American companies began to develop formal long range planning systems wise managers have understood the importance of knowing where their firm was headed and how it intended to get there To function effectively in a modern planned operation every manager must have a practical understanding of how the planning process works That's exactly what this book offers a step by step guide to strategic planning George A Steiner a well known expert in the field of management provides a concise jargon free handbook that avoids abstract theory and takes you straight to the how to of planning Whether you're designing and implementing a new plan or working with a plan that's already in operation Strategic Planning puts the information you need at your fingertips It takes you through every stage of the process from idea to execution to evaluation And explains Fifty Common Pitfalls you'll need to know about You can plug your own data into the lucid charts tables and checklists for a valuable start on getting organized and evaluating your planning needs And there's plenty of penetrating discussion about the questions and quandaries you're likely to meet along the way For example How do you identify evaluate and implement strategies How do you design a planning system to fit the unique characteristics of you and your company Can an intuitive manager do formal strategic planning What are some ways to develop clear objectives What human behavior factors can endanger planning and how can managers overcome them How and when should a situation audit be made What do you need to know about computer models How can business planning lessons be applied to not for profit organizations How can managers apply lessons of planning experience to the planning of their own careers You don't have to get an advanced degree to make strategic planning a part of your management style All you need is the expert advice in this idea packed handbook As a bonus the book includes a glossary of the terms tools and techniques of strategic planning *Strategic Management: From Theory to Implementation* David E. Hussey, 2007-06-01 A major textbook on strategic management which not only deals fully with the theoretical aspects of corporate planning but also provides practical guidance on implementation Now completely revised and updated this book is particularly suitable for the student or manager who needs to relate strategic thinking to current practice The format has been enlarged and the interior of the book re-designed The fourth edition treats both analytical and behavioural aspects of planning in depth Strategic analysis is covered in particular detail with examples reporting proven and often original applications of these theories Six major case studies have been added to illustrate the application of strategic management theory in practice and a chapter discusses the impact of new approaches to strategy With comprehensive reference lists and a guide to research

resources this volume will prove invaluable to researchers and advanced students as well as to the practising manager A lecturer's resource is available on the BH website which contains a Powerpoint presentation additional case studies and notes and exercises for seminar use Details are available by emailing bhmarketing@repp.co.uk a highly commendable piece of work a true compendium for the practitioner and student of planning Journal of Strategic Change review of the third edition

Planning and Evaluation of Personnel Management Programs United States. Department of the Army,1969 Corporate Planning M. J. Langham,David E. Hussey,2014-06-28 Aimed at practitioners of corporate planning organisational development and personnel managers generally together with students of management The book sets out to draw together two streams of thought and literature one dealing with human behaviour and the other with corporate planning and analysis It shows how corporate planning may be made more effective by giving proper attention to the human factor and also offers a great deal of insight to those concerned with the personnel function which stresses the importance of their skills to planning process The book demonstrates how a considered blend of analysis and behavioural skills can bring a more effective approach to planning Long-range Planning Jacob Naor,1976 **Hearings, Reports and Prints of the Senate Committee on Government Operations** United States. Congress. Senate. Committee on Government Operations,1976

Our Third Century ,1976 **Full Employment and Balanced Growth Act of 1976** United States. Congress. Senate.
