

Longest Debate

Clemens Wendtner

Longest Debate:

An Idea Whose Time Has Come Todd S. Purdum, 2014-04-01 The story of the behind the scenes political battle to pass the 1964 Civil Rights Act Excellent a highly readable play by play The Atlantic It was a turbulent time in America a time of sit ins freedom rides a March on Washington and a governor standing in the schoolhouse door when John F Kennedy sent Congress a bill to bar racial discrimination in employment education and public accommodations Countless civil rights measures had died on Capitol Hill in the past But this one was different because as one influential senator put it it was an idea whose time has come In this revealing book Todd S Purdum tells the story of the Civil Rights Act of 1964 recreating the legislative maneuvering and the larger than life characters who made its passage possible From the Kennedy brothers to Lyndon Johnson from Martin Luther King Jr to Hubert Humphrey and Everett Dirksen Purdum shows how these all too human figures managed in just over a year to create a bill that prompted the longest filibuster in the history of the US Senate yet was ultimately adopted with overwhelming bipartisan support He evokes the high purpose and low dealings that marked the creation of this monumental law drawing on extensive archival research and dozens of new interviews that bring to life this signal achievement in American history an example in our own troubled time of what is possible when bipartisanship decency and patience rule the day Brilliantly rendered and emotionally powerful a riveting account of one of the most dramatic and significant moments in American history Doris Kearns Goodwin Today s reader will be startled if not astonished by how the bill made its way through Congress The Washington Post Worthy timely and intelligent The New Yorker A first rate narrative The Wall Street Journal

Justice Rising Patricia Sullivan, 2021-06-08 Bobby Kennedy wasn t the most visible figure in the civil rights movement but his impact was transformative As attorney general he protected the Freedom Riders and turned the Justice Department from an enemy of civil rights into an enforcer of antiracist policies Patricia Sullivan gives Kennedy his rightful place as a force for racial justice

The Litigation State Sean Farhang, 2010-08-02 Of the 1 65 million lawsuits enforcing federal laws over the past decade 3 percent were prosecuted by the federal government while 97 percent were litigated by private parties When and why did private plaintiff driven litigation become a dominant model for enforcing federal regulation The Litigation State shows how government legislation created the nation s reliance upon private litigation and investigates why Congress would choose to mobilize through statutory design private lawsuits to implement federal statutes Sean Farhang argues that Congress deliberately cultivates such private lawsuits partly as a means of enforcing its will over the resistance of opposing presidents Farhang reveals that private lawsuits functioning as an enforcement resource are a profoundly important component of American state capacity He demonstrates how the distinctive institutional structure of the American state particularly conflict between Congress and the president over control of the bureaucracy encourages Congress to incentivize private lawsuits Congress thereby achieves regulatory aims through a decentralized army of private lawyers rather than by well staffed bureaucracies under the president s influence The historical development of ideological

polarization between Congress and the president since the late 1960s has been a powerful cause of the explosion of private lawsuits enforcing federal law over the same period Using data from many policy areas spanning the twentieth century and historical analysis focused on civil rights The Litigation State investigates how American political institutions shape the strategic design of legislation to mobilize private lawsuits for policy implementation **Congressional Record** United States. Congress,2017-06-19 A Collection of the Parliamentary Debates in England Great Britain. Parliament,1740 **A Collection of the Parliamentary Debates in England, from the Year 1668 [-1774]** ,1740 *A Collection of the Parliamentary Debates in England from the Year M, DC, LXVIII to the Present Time* ,1740 The Parliamentary Debates (official Report[s]) ... Great Britain. Parliament,1869 **Senate Cloture Rule. Limitation of Debate in the Congress of the United States [by] Congressional Research Service, Library of Congress; And, Legislative History of Paragraphs 2 and 3 of Rule XXII of the Standing Rules of the United States Senate (cloture Rule) [by] Office of the Legislative Counsel, United States Senate** United States. Congress. Senate. Rules and Administration,19?? **The Legislative Assembly Debates** India. Legislature. Legislative Assembly,1929 **Making Women Count** Marian Sawyer,Gail Radford,2008 This is the first full scale history of the Women s Electoral Lobby in Australia which burst onto the scene of federal politics in 1972 It assesses WEL s significance as a policy actor and its attempts to shape public agenda as well as the meaning of WEL for those involved and its impact on their lives WEL is the women s organisation most often referred to in parliament and the media Provided by publisher Freedom Is Not Enough Nancy MacLean,2008-03-15 MacLean shows how African American and Mexican American civil rights activists and feminists concluded that freedom alone would not suffice access to jobs at all levels is a requisite of full citizenship This book chronicles the cultural and political advances that have irrevocably changed our nation over the past 50 years *Shaping Race Policy* Robert Lieberman,2011-06-27 *Shaping Race Policy* investigates one of the most serious policy challenges facing the United States today the stubborn persistence of racial inequality in the post civil rights era Unlike other books on the topic it is comparative examining American developments alongside parallel histories of race policy in Great Britain and France Focusing on on two key policy areas welfare and employment the book asks why America has had such uneven success at incorporating African Americans and other minorities into the full benefits of citizenship Robert Lieberman explores the historical roots of racial incorporation in these policy areas over the course of the twentieth century and explains both the relative success of antidiscrimination policy and the failure of the American welfare state to address racial inequality He chronicles the rise and resilience of affirmative action including commentary on the recent University of Michigan affirmative action cases decided by the Supreme Court He also shows how nominally color blind policies can have racially biased effects and challenges the common wisdom that color blind policies are morally and politically superior and that race conscious policies are merely second best *Shaping Race Policy* has two innovative features that distinguish it from other works in the

area First it is comparative examining American developments alongside parallel histories of race policy in Great Britain and France Second its argument merges ideas and institutions which are usually considered separate and competing factors into a comprehensive and integrated explanatory approach The book highlights the importance of two factors America s distinctive political institutions and the characteristic American tension between race consciousness and color blindness in accounting for the curious pattern of success and failure in American race policy

The Presidency and the Politics of Racial Inequality Russell Lowell Riley, Russell Lynn Riley, 1999 The U S occupation of Japan transformed a brutal war charged with overt racism into an amicable peace in which the issue of race seemed to have disappeared During the Occupation the problem of racial relations between Americans and Japanese was suppressed and the mutual racism transformed into something of a taboo so that the two former enemies could collaborate in creating democracy in postwar Japan In the 1980s however when Japan increased its investment in the American market the world witnessed a revival of the rhetoric of U S Japanese racial confrontation Koshiro argues that this perceived economic aggression awoke the dormant racism that lay beneath the deceptively smooth cooperation between the two cultures This pathbreaking study is the first to explore the issue of racism in U S Japanese relations With access to unexplored sources in both Japanese and English Koshiro is able to create a truly international and cross cultural study of history and international relations

The Pursuit of Fairness Terry H. Anderson, 2004-06-07 Affirmative action strikes at the heart of deeply held beliefs about employment and education about fairness and about the troubled history of race relations in America Published on the 50th anniversary of Brown v Board of Education this is the only book available that gives readers a balanced non polemical and lucid account of this highly contentious issue Beginning with the roots of affirmative action Anderson describes African American demands for employment in the defense industry spearheaded by A Philip Randolph s threatened March on Washington in July 1941 and the desegregation of the armed forces after World War II He investigates President Kennedy s historic 1961 executive order that introduced the term affirmative action during the early years of the civil rights movement and he examines President Johnson s attempts to gain equal opportunities for African Americans He describes President Nixon s expansion of affirmative action with the Philadelphia Plan which the Supreme Court upheld along with President Carter s introduction of set asides for minority businesses and the Bakke ruling which allowed the use of race as one factor in college admissions By the early 1980s many citizens were becoming alarmed by affirmative action and that feeling was exemplified by the Reagan administration s backlash which resulted in the demise and revision of affirmative action during the Clinton years He concludes with a look at the University of Michigan cases of 2003 the current status of the policy and its impact Throughout the author weighs each side of every issue often finding merit in both arguments resulting in an eminently fair account of one of America s most heated debates A colorful history that brings to life the politicians legal minds and ordinary people who have fought for or against affirmative action The Pursuit of Fairness helps clear the air and calm the emotions as it

illuminates a difficult and critically important issue *When Freedom Would Triumph* Robert Mann, 2007-09 *When Freedom Would Triumph* recalls the most significant and inspiring legislative battle of the twentieth century the two decades of struggle in the halls of Congress that resulted in civil rights for the descendants of American slaves Robert Mann's comprehensive analysis shows how political leaders in Washington Lyndon Johnson Hubert Humphrey John F Kennedy and others transformed the ardent passion for freedom the protests marches and creative nonviolence of the civil rights movement into concrete progress for justice A story of heroism and cowardice statesmanship and political calculation vision and blindness *When Freedom Would Triumph* an abridged and updated version of Mann's *The Walls of Jericho* Lyndon Johnson Hubert Humphrey Richard Russell and the Struggle for Civil Rights is a captivating thought provoking reminder of the need for more effective government Mann argues that the passage of civil rights laws is one of the finest examples of what good is possible when political leaders transcend partisan political differences and focus not only on the immediate judgment of the voters but also on the ultimate judgment of history As Mann explains despite the opposition of a powerful determined band of southern politicians led by Georgia senator Richard Russell the political environment of the 1950s and 1960s enabled a remarkable amount of compromise and progress in Congress *When Freedom Would Triumph* recalls a time when statesmanship was possible and progress was achieved in ways that united the country and appealed to our highest principles not our basest instincts Although the era was far from perfect and its leaders were deeply flawed in many ways Mann shows that the mid twentieth century was an age of bipartisan cooperation and willingness to set aside party differences in the pursuit of significant social reform Such a political stance Mann argues is worthy of study and emulation today **Landmark Debates in Congress** Stephen W. Stathis, 2009 Presents and analyzes numerous pivotal historical debates from the Declaration of Independence to authorizing war with Iraq **An Encyclopaedia of Parliament** Norman W. Wilding, Philip Laundy, 1968 First published in 1958 *The Times parliamentary debates, from Jan. 12, 1886-Aug. 25, 1894. House of commons* Parliament commons, proc, Vict, 1886 **Public Opinion and Counter-Terrorism** Michael Lister, 2023-05-12 This book examines the ways in which the views of the public inhabit the counter terrorism policy space with a focus on the UK case Drawing insights from Critical Terrorism Studies Critical Security Studies and studies of public opinion the book develops an argument that the relationship between public opinion is complex iterative and mutually instantiating Rather than public opinion and counter terrorism policy existing in a simple uni directional causal relationship the book argues that whilst counter terrorism policy actors are informed by public opinion in important ways they also construct that very opinion This argument is made through an empirical analysis of UK counter terrorism policy Drawing on primary research interviews with key counter terrorism policy actors and security professionals as well as original analysis of parliamentary debates the book demonstrates that rather than UK counter terrorism politics being closed and elite driven there exists a complex dialectical relationship between public opinion and both the making and the implementing of counter

terrorism policy This book will be of much interest to students of critical terrorism studies counter terrorism security studies
British politics and communication studies

The Enigmatic Realm of **Longest Debate**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
