The Bedfords Complete Box Set H.C. Bentley,2023-02-19 Life in the Smoky Mountains moves at a slower pace For the Bedfords and their friends life is full of ups and downs especially when it comes to their family and matters of the heart From This Moment Independent and outspoken Grace Burgess is everything her conservative parents think she shouldn t be To their way of thinking she should be settling down not dreaming of adventure But Grace wants to visit new places and see new things without having to worry about her parents or being tied

down to a man Then she meets Ray Ray Bedford isn't looking to meet the one He's perfectly content to continue his bachelor ways and to work his job as a firefighter with the Gatlinburg Fire Department But when he meets Grace he's more than willing to reconsider his single guy status There's no doubt that there's a spark between Grace and Ray And though Grace feels it she's determined to live her life on her terms even if means pushing the charming firefighter away Her resolve is tested when Ray is involved in a near fatal accident on the job Facing the thought of losing him Grace is forced to confront her feelings and decide which she wants more her independence or the man she loves Take Me Home Charlotte Bedford left her sleepy little hometown in the foothills of the Smoky Mountains to make a name for herself as a fashion photographer in the Big Apple She craved success and independence but most of all she wanted to be in a place where she wasn't known as the Bedford girl or Landon Montgomery's girlfriend But her life in New York begins to take its toll and she finds herself longing to return to her southern roots in Gatlinburg Tennessee What she doesn't know is the one man she ever really loved had never left Landon Montgomery was a southern boy born and raised And as much as he'd loved Charlotte he'd had no desire to follow her to the big city instead he'd stayed behind to help run his family's business When Charlotte returns home he knows they have to reconcile their past if they are to have a future The aftermath of a family emergency makes them realize they were meant to be together but is it already too late Feel The Heat Firefighter Colt Bedford loves the job even when the job almost kills him Two years later the accident still haunts him What began as nightmares starts to creep over into his waking moments He's done his best to hide it from everyone including his family but one particular incident during a rescue exposes his vulnerabilities putting his job in jeopardy Single mother Amy Kincaid had lived a nightmare of her own After escaping her abusive husband she's doing her best to raise her daughter on her own Even though her ex is still making trouble for her she's focused on her daughter and getting from one day to the next with no thought of inviting a man any man into her life Amy's world collides with Colt's when the firefighter and his partner carry the mother and daughter from their burning home After the fire a simple thank you gesture from Amy turns into something neither of them had planned Colt feels more for Amy than he has for any other woman before her but after her failed marriage Amy doesn't trust her heart When Amy's ex husband strikes again putting their daughter's life in danger Colt and Amy have to decide do they go their separate ways or do they go after everything they didn't know they wanted Smoky Mountain Christmas The Bedfords are playing matchmaker And they have a little help Grace and Ray Bedford have opened up the family home for their annual Christmas party and half of the Gatlinburg area has been invited This includes ReeAnne Hawthorne owner of Smoky Mountain Sweets a popular local candy store A classic workaholic ReeAnne only came to the Bedford's Christmas party because she was pressured by a friend into accepting the invitation Feeling out of place in the crowd ReeAnne thought she'd be better off doing inventory or going over the books At least until a certain firefighter caught her eye Seth Bennett still hasn't gotten over the fact his best friend Colt Bedford beat him at his chance at Amy the girl of Seth's dreams He couldn't hold a

grudge though especially since Colt and Amy are engaged And since Seth considers the Bedfords more like family than friends there are no hard feelings Especially once Seth meets ReeAnne When Amy's sisters along with the Bedfords notice the sparks between Seth and ReeAnne they count on some Christmas magic and a little scheming to help the pair meet under the mistletoe Stay With Me Park ranger Clay Bedford is content with his life He has and loves the dream job he's always wanted His close knit family lives nearby and he has good friends and a loyal dog for company He isn't looking for love He'd suffered through the loss of love before she was the one who got away until she came back Hotel manager Abigail Blanchard has dealt with her cold and controlling parents her entire life When she was in college her parents made a decision that forced Abigail to stay away from Clay leaving her world turned upside down After bending to her parents will that one last time she's found a way to move beyond it to build her own life on her own terms Bumping into Clay Bedford again however was not something she'd planned for When Clay responds to an accident involving Abigail somewhere off the beaten path in the Smoky Mountains he has no idea how seeing her again will change his world After an unexpected night together the pair realizes the spark is still there between them Will they be able to overcome their past or will Abigail's parents force them apart forever **The Pastoral Review**, 1914 [Resurrection in Mudbug](#) Jana DeLeon, 2014-09-24 From New York Times and USA Today bestselling author Jana DeLeon the fourth book in the Ghost in Law series RESURRECTION IN MUDBUG aka The Return of Helena Henry Just when you thought it was safe to go back into the bayou Jadyn St James is excited to start her job as game warden in Mudbug Louisiana and hopes it is the beginning of a new and improved life She expected to run across any number of odd occurrences in the small bayou town but she never thought her life would be in danger within a matter of days And that's not even the worst thing Helena Henry was hell on wheels both alive and dead when she resided in Mudbug and a year in heaven hasn't improved her one bit Now she's back and has brought trouble with her When it becomes apparent that a major crime is occurring in Mudbug Colt Bertrand is more than frustrated to be saddled with an inexperienced game warden especially one who looks like Jadyn But it soon becomes apparent that they need to put their differences aside if they expect to solve the crime and more importantly stay alive Resurrection in Mudbug is a humorous mystery and contemporary romance set in the bayous of southern Louisiana It is the fourth book in the New York Times bestselling Ghost in Law series Resurrection in Mudbug has a cozy mystery feel and features a strong heroine a sexy hero and a ghost unlike any you've ever heard of It appeals to fans of light paranormal romance cozy mysteries women sleuth and also to fans of the Stephanie Plum series by Janet Evanovich Southern wit at its best NYT Bestselling author Gemma Halliday Sinfully funny NYT Bestselling author CC Hunter Christie Craig DeLeon is excellent at weaving comedy suspense and spicy romance into one compelling story RT Book Reviews I don't know where she comes up with this funny stuff but I can't wait to read the next book Night Owl Reviews Jana DeLeon has a breezy style with enough of a comic touch to leave you smiling The Romance Reader Son of a gun we're having fun in the bayou Fresh Fiction The quirky characters

,1897 **The Lane Light** Candee MacQueen,2020-12-23 The blanketed Wyoming sky was getting more threatening as each minute went by Old timers called it a mean snow sky It was a thick smooth low cover of clouds in scary shades of gray Colors that made your heart beat a little faster The forecasters said this was a bad one It was Christmas Eve day The story that was to be played out would begin early in the day with the players being put in place one by one Some were friends and others were complete strangers each assigned their own special reason to be there and each important in His eyes Eventually the one in charge would say action enabling the night to play out as He had intended for His reasons That is if everyone played their parts correctly The old barn was ready The heat coming from the wood stove would keep all warm The old weathered oak planks used for the walls would manage to stay standing and keep the cold out but it would take the faith of each player new faith and old faith to reach the outcome He intended By noon the entrance to the Kahler Ranch had taken on a dreaded lonely appearance as did the main road that ran out front Snow was building up on the crossbar making it hard to read the name of the ranch The trees that Chico had tied up along the fence were taking a beating their limbs sagging from the weight of the snow Steph s red bows struggled to stay in place The only traffic out on the road would be very early on a few cars and trucks attempting to make that last desperate trip to town each one praying that the storm would hold off allowing them the needed time to get safely home People knew time was running out By late afternoon there would be no travelers on the roads Only five special people would find themselves out in the storm and they would share the same destiny to find the Lane Light
