## Look Look:

**Look** Andrew L. Yarrow, 2021-11 Andrew L Yarrow tells the story of Look magazine one of the greatest mass circulation publications in American history and the very different United States in which it existed The all but forgotten magazine had an extraordinary influence on mid twentieth century America not only by telling powerful thoughtful stories and printing outstanding photographs but also by helping to create a national conversation around a common set of ideas and ideals Yarrow describes how the magazine covered the United States and the world telling stories of people and trends injustices and triumphs and included essays by prominent Americans such as Martin Luther King Jr and Margaret Mead It did not shy away from exposing the country s problems but it always believed that those problems could be solved Look which was published from 1937 to 1971 and had about 35 million readers at its peak was an astute observer with a distinctive take on one of the greatest eras in U S history from winning World War II and building immense increasingly inclusive prosperity to celebrating grand achievements and advancing the rights of Black and female citizens Because the magazine shaped Americans beliefs while guiding the country through a period of profound social and cultural change this is also a story about how a long gone form of journalism helped make America better and assured readers it could be better still *Through the Looking Glass* Sarah Thacker, 2012-04 This is a 2012 edition of the children s classic book *José Martí Reader* José Martí, 2016-08-22 Mart added a social agenda to the historic program of national liberation and instantly converted a movement devoted to the establishment of a new nation into a force dedicated to shaping a new society Mart transformed rebellion into revolution Like a master weaver Mart pulled together all the separate threads of Cuban discontent social economic political racial historical and wove them into a radical movement of enormous force Louis A P rez Jr author of *Jos Mart in the United States* Oh Cuba the blood of Mart was not yours alone it belonged to an entire race to an entire continent it belonged to the powerful youth who have lost probably the best of teachers he belonged to the future Rub n Dar o This new edition of an elegant anthology features bilingual poetry a revised translation and several new pieces It presents the full breadth of Jos Mart s work his political essays and writings on culture his letters and his poetry Readers will discover a literary genius and an insightful political commentator on troubled US Latin America relations **I Know You** Annabel Kantaria, 2019-06-11 This fascinating compulsively readable domestic suspense set in London will absolutely appeal to fans of Liane Moriarty and B A Paris as it asks readers How well do you know your friends Booklist That picture you posted I ve seen it That location you tagged I ve been there I know everything about your life And I m going to destroy it A recent transplant from sunny California life in the London suburbs is not what Taylor Watson expected Far from the West End shops and city lights she imagined she finds herself pregnant and lonely with a husband frequently away on business and only social media to keep her company It s only after Taylor joins a book club and a walking group that she finally starts to make some real life friends Before long Taylor s hanging out with Anna Sarah Simon and Caroline but as her pregnancy progresses and her

friendships blossom a sense of unease develops Nothing s ever quite as it seems on the surface and it soon becomes clear that Taylor s new friends have secrets One appears to be after Taylor s husband another s always putting her down and then there s the question of Simon Could he have feelings for Taylor But far more worryingly one of the group s not being too careful what they post on social media and another is watching all too closely Who s stalking who and why

**Alice's Adventures in Wonderland & Alice Through the Looking-Glass** Lewis Carroll,2023-11-10 Lewis Carroll s iconic works Alice s Adventures in Wonderland and its sequel Alice Through the Looking Glass offer an intricate exploration of the absurdities of logic and the fluidity of reality Through whimsical prose and delightful wordplay Carroll constructs a fantastical landscape that challenges both the conventions of Victorian literature and the very nature of childhood innocence The narrative is characterized by its dreamlike qualities linguistic inventions and illogical encounters reflecting the complexities of growing up and the quest for identity within a bewildering world Born Charles Lutwidge Dodgson Lewis Carroll was an Oxford mathematician logician and photographer His dual identity as a scholar and a whimsical storyteller uniquely positioned him to craft narratives that melded intellectual rigor with playful imagination Inspired by his relationships with children particularly with Alice Liddell Carroll infused his works with themes of curiosity and exploration mirroring the tensions between childhood wonder and societal expectations This enduring classic is essential for any reader both young and old as it invites them to venture into a world of fantasy where curiosity reigns supreme Carroll s masterful narrative offers layers of meaning that resonate with contemporary themes making it a recommended read for those who seek both enjoyment and intellectual engagement
