Look What I Did And Then Some:

Horror in Providence Jess Sage,2012-01-07 The introduction Like i said there is no way real way of me explaining what exactly I experienced Maybe Black Magic was involved I don t know I don t understand but I know what I saw I try to see things logically but I gotta tell you this really has been really messin with me for years I really don t care if your a believer in this sort of stuff But I feel the need to share it with you in the hopes that you could maybe explain what I saw I don t know all I gotta say is I lost friends and family because of what happened and I think I may have also lost my Damn Mind Warhol's Prophecy Shaun Hutson,2011-12-12 Everyone will be famous for fifteen minutes said Andy Warhol And fame is something certain people will go to any lengths to achieve whether to be revered or reviled the lure of notoriety is strong for those lacking it When five year old Becky goes missing in a crowded shopping centre her mother s worst nightmare has come true But Hailey Gibson s nightmares are just beginning After Becky is safely returned by Adam Walker Hailey finds her initial gratitude turning to something else With her marriage close to ruins she is tempted to begin an affair with this likeable newcomer Besides Hailey wants revenge against her husband and his mistress And Walker seems willing only too happy to please But maybe he has his own agenda As she wisely ends their budding relationship Hailey begins to wonder if Walker could be behind the acts of vandalism committed against her home and family Or is someone else seeking revenge who she has not yet encountered When petty harassment turns to open violence Hailey finds herself caught in a spiralling vortex of suffering and death until the shattering truth forces her to make the the most horrendous decision of her life **70**
