Temperton embarked on a career in music with the funk band Heatwave for whom he wrote the international hits Boogie Nights and Always and Forever before his songwriting talent caught the attention of Michael Jackson's legendary producer Quincy Jones. For Jackson's Off the Wall album Temperton penned both the hit Rock with You and the album's title track. Three years later he started work on what would become the best selling album of all time Michael Jackson's Thriller writing three songs including the now legendary title track And yet despite collaborating with some of music's biggest stars including Donna Summer and Michael McDonald Temperton was famously reclusive and seldom gave interviews. Having enjoyed unprecedented access to the great man for his Sony Award winning radio documentary on Temperton Jed Pitman presents the fully updated definitive story of one of music's most talented individuals Swiss Watching Diccon Bewes, 2012-03-09 New updated edition new statistics and Epilogue One country four languages 26 cantons and 7.5 million people but only 80% of them Swiss there's nowhere else in Europe like it Switzerland may be almost 400 km from the nearest drop of seawater but it is an island at the centre of Europe Welcome to the landlocked island Swiss Watching is a fascinating journey around Europe's most individual and misunderstood country From seeking Heidi and finding the best chocolate to reliving a bloody past and exploring an uncertain future Diccon Bewes proves that there's more to Switzerland than banks and skis francs and cheese This book dispels the myths and unravels the true meaning of Swissness In a land of cultural contradictions this is a picture of the real and normally unseen Switzerland a place where the breathtaking scenery shaped a nation not just a tour itinerary and where tradition is as important as innovation It's also the story of its people who have more power than their politicians but can't speak to one another in the same language and who own more guns per head than the people of Iraq As for those national clichés well not all the cheese has holes cuckoo clocks aren't Swiss and the trains don't always run exactly on time **La France** Claude Rivière, 1920 American Illustrated Magazine, 1884
