Beilby, Paul Rhodes Eddy, 2011-11-10 Therefore since we have been justified by faith we have peace with God through our Lord Jesus Christ Rom 5 1 When Paul wrote these words he seemed confident he had made himself clear But for centuries the Pauline doctrine of justification has been a classic point of interpretation and debate in Christian exegesis and theology And while in recent decades there have been moments of hopeful convergence among the various traditions of the Western church the fine print often reveals more facets and

distinctions than ever before This volume focuses on five views of justification and calls on representative proponents to set forth their case and then respond to each other The five views are Traditional Reformed Michael S Horton Progressive Reformed Michael F Bird New Perspective James D G Dunn Deification or Theosis Veli Matti K rkk inen Roman Catholic Gerald O Collins and Oliver Rafferty In addition editors James Beilby Paul R Eddy and Steven E Enderlein provide an extensive introduction to the issues informing this important debate This distinguished forum of biblical interpreters and theologians offers a lively and informative engagement with the biblical historical and contemporary understandings of justification Justification Five Views is not only a fascinating probe into Paul s meaning it is also a case book in theological method

A Critical Examination of the Doctrine of Revelation in Evangelical Theology Carisa A. Ash,2015-07-14 How God reveals himself is an important matter for Christians especially evangelicals For too long Carisa Ash contends evangelicals have rightly affirmed that God reveals through the created world but then they functionally neglect such revelation In this monograph Ash offers a corrective to this practice by presenting a theology of revelation that explores the commonalities between various forms of revelation world written and spoken word and Incarnate Word Particularly aimed at theologians interested in theological method Ash s study will also benefit people interested in faith and learning or interdisciplinary integration Ash argues that evangelicals must strive to align more closely their affirmations and their practice Her critique of current practices in theological method and integration along with the proposed theology of revelation are designed to help move the conversation forward

Baker, 2013-04-06 Do we need the Old Testament today Is this collection of ancient writings still relevant in our postmodern and increasingly post literary world Isn't the New Testament a sufficient basis for the Christian faith What does the Old Testament God of power and glory have to do with the New Testament God of love whom Jesus calls Father Are these two very different Testaments really one Bible In this thoroughly revised updated and expanded edition of Two Testaments One Bible David L Baker investigates the theological basis for the continued acceptance of the Old Testament as Christian Scripture through a study of its relationship to the New Testament He introduces the main issues surveys the history of

Do Historical Matters Matter to Faith? James K. Hoffmeier, Dennis R. Magary, 2012-02-29 Is historical accuracy an indispensable part of the Bible's storyline or is Scripture only concerned with theological truths As progressive evangelicals threaten to reduce the Bible's jurisdiction by undermining its historical claims every Christian who cares about the integrity of Scripture must be prepared to answer this question Do Historical Matters Matter to Faith offers a firm defense of Scripture's legitimacy and the theological implications of modern and postmodern approaches that teach otherwise In this timely and timeless collection of essays scholars from diverse areas of expertise lend strong arguments in support of the doctrine of inerrancy Contributors explore how the specific challenges of history authenticity and authority are answered in the text of the Old and New Testaments as well as how the Bible is corroborated by philosophy and archaeology With contributions from respected scholars including Allan Millard Craig Blomberg Graham Cole Michael Haykin Robert Yarbrough and Darrell Bock Do Historical Matters Matter to Faith arms Christians with fresh insight arguments and language with which to defend Scripture's historical accuracy against a culture and academy skeptical of those claims
