Looking Back A Living Testimony:

Looking Back Cecelia T. Robinson, 2003 Mark 5:19 says Jesus instructs a man for whom he has worked a miracle to go home to friends and tell them what great things the Lord has done for us. My inspiration behind this book is The Lord says it is our responsibility as Christians to go out and tell others what God has done. God is blessed by testimonies of his people who tell others of his Love and willingness to answer our prayers. By the grace of God I know what the Lord has done and brought me from. This book is about FAITH. I've been through times of doubt and confusion. I've had my back against the wall but now I know that when the valleys and the storms come I'll handle them even better than before. The word of God is able to heal our wounds. This book contains pieces of my life: its ups and downs, its pain and its glory, its endless storms and its countless blessings. I hope my testimonies will lead people toward God's love and faith. The Cycle of Eternal Life Adriano Leonel

, 2025-08-13 The Cycle of Eternal Life Have you ever stopped to wonder if you're truly living or just surviving? There is a cycle invisible to the eye but it revolves uninterruptedly between birth, sin, redemption, and eternity. The Cycle of Eternal Life is more than a book; it is an urgent call to conscience to the soul to the spirit. In this impactful book you will be confronted with profound truths about humanity's eternal destiny. On every page a mirror is placed before your eyes. What is the meaning of your life? Where are you going? What stage of the cycle are you in now? Written with intensity, passion, and a commitment to truth, this book spares no words in denouncing the deception that many live by. It doesn't soften the reality of hell. It doesn't hide the indescribable brilliance of Heaven. It doesn't silence God's incomparable love for every soul. You will reflect on the true terror of hell. You will see the beauty of eternal life with the Father. You will understand divine justice and the love that still cries out for you. You will be faced with the greatest decision of your life: to accept or reject salvation. There is no middle ground. There are no excuses. There is no more time to waste. If you love someone, share this book. If you are still breathing, read every line as if it were your last chance to begin again. If you want eternal answers, the Holy Spirit can use it to speak directly to you. The Cycle of Eternal Life is a book for those who have the courage to face eternity head-on. For those who understand that life does not end in the grave. For those who desire to break the cycle of sin and live in the center of God's will. The question that echoes until the last page is simple and direct: Are you ready? **Broken/Sharpened/Blessed** M. E.

Matthews, 2010-01-19 A little about me: I am just an ordinary woman who did an extraordinary thing. I accepted Jesus Christ as my personal Savior in 1986. I am a woman who has had the opportunity to sit back and think of all the times God has blessed me and sent angels to intercede, guide, and protect me. I am a very quiet person and a bit shy and only shared my stories with a few of my closet friends. But always with my daughter. I had no one else there with me through these trials and dilemmas, just my daughter. And years later, my son, which are what I know now as my testimonies, trials, and triumphs.

Behind the Lights Helen Smallbone, Lisa Stilwell, Rebecca St. James, 2022-04-12 From the Woman Who Inspired *Unsung Hero* A Major Motion Picture In this inspiring debut memoir Helen Smallbone, mother of seven creative children including

Christian music artists for KING COUNTRY and Rebecca St James chronicles the family's journey of faith across the ocean to go where God was leading. Written from a mother's perspective, Helen shares stories of peaks, valleys, and a family trusting God for provision. Helen Smallbone's heartfelt story illustrates what it means to really let God lead, which almost always means living outside the box of how the world says to live. How did an ordinary Australian family produce two Grammy Award-winning artists, Rebecca St James and for KING COUNTRY? What happened to bring the Smallbones through closed doors and to new beginnings in the United States? In *Behind the Lights*, Helen shares not only these stories of her family but of the life lessons they all learned along the way. In 1991, Helen and her husband David packed up their family and sixteen suitcases to move from Australia to the United States. Completely isolated from the support of family and friends, they relied on God to provide them with hope and direction. Helen watched her children join forces as Rebecca St James' career grew, soon followed by blossoming careers for the others as artists, entrepreneurs, filmmakers, and the rise of Joel and Luke's for KING COUNTRY on Christian music charts. Helen shares untold stories and insights into how her family worked and stuck together constantly, relying on their faith to guide the way. Helen's journey includes meeting her future husband with a cockatoo on her shoulder. The family's move to the states in blind faith, the kindness of neighbors, and the local church that gave them the encouragement they so desperately needed. Years of touring alongside Rebecca and the formation of for KING COUNTRY. The ways God led and enabled her to homeschool and think about education differently. An inside look at the stories and dynamics of the entire Smallbone family. No matter where you are in life, Helen shows through her own experiences that what God has done in her life, He will do in yours too.

Morning Magnified William McLeod, 2021-12-15 When I look back over my life, I see nothing but the hand of God on my family. I was gifted with the ministry of encouraging and lifting people. I made a promise to God many years ago. I promised that every day that he wakes me up and put a word or song on my heart that I would write it and sing a joyful song unto the Lord. The people of the world have been experiencing depression, sickness, loss of hope, looking for someone or something to lift them and rescue them from the evilness of this dark world. My thoughts for each day are if I can help someone along the way as I journey through this world, then my living is not in vain. I have a testimony of the goodness of Jesus Christ, and I have to share it with the world. God is good to me, and I know it. God is good to you, but do you know it? I pray that you will seek God and his righteousness and not the world's unrighteousness. I pray that this book will be a blessing to you. Step out on faith in the Son of God and watch how he will pour out his blessing on you.

My First Steps in the Ministry Leverna Williams, 2008-09-28 Today there are so many distractions that turn us away from what we are called to do. We willingly indulge in the pleasures of life instead of following the perfect plan that God already has for each of our lives. If we look honestly at our own lives, we will see that we are turning to so many different things and people to help solve the problems we face in life. *My First Steps in the Ministry* looks into the life of an ordinary man to see how one can choose to answer the greatest call in life: doing the work of the Lord. By submitting your plans and will to the will

of God one will come to realize that the only way to make it through the vicissitudes of life is to go the way that is ordered by Jesus Christ our Lord My First Steps in the Ministry shares with all how to step into their destiny through experiences that will help them find their way to a fulfilled life with Christ Isn't it time you let go of your past and let God walk you into your future Psalm 51:10-12 Just realize that it's not too late to turn your life around Toolbox of Life Toshiya L. Stuckey, 2025-08-19 Since it was published in 1776 the Declaration of Independence has been used to advocate for social justice and to maintain inequitable social hierarchies it has served as a model for justifying revolutions in other nations and for the Confederacy's secession from the US federal government But as we approach its 250th anniversary this book asks Does the Declaration still matter In this volume leading scholars explore how this remarkably pliable document has been used for progressive and regressive politics

alike and track its impact on independence movements across the globe The essays begin with the Declaration s immediate reception and masculine style of prose and then move on to its central role in interpreting civic action between state and federal governments most notably secession in the Antebellum era questions of sovereignty between Indigenous nations in the United States and the United States relationship with Latin America The next section focuses on the ways the Declaration was called upon to urge imperative moral action especially in terms of human rights in the US Civil Rights Movement and the Velvet Revolution in Czechoslovakia and in contrast how it was cast aside in the Syrian Revolution The final section teases out the tension between the needs reflected in the original document and the needs of the contemporary political world Used Abused and Sidelined demonstrates how this foundational document prepares us to tolerate and to resist and it points to how we might leverage the Declaration to create a different kind of political future
