Today much of Christendom is closely associated with the eating of animals. Some churches even have hunting and fishing trips. Meat, eggs, and dairy are a staple in most professing Christians' diets. Is any of this in line with God's will or pleasing to Him? Could it be that so many passages of Scripture that traditions have told us are teaching the ethics of killing animals are actually stating something completely different? This book takes a Scriptural approach to the subject of humanity's treatment of animals: what God desires from us and what the Bible says about it all. If you have been raised thinking that animals are here to be food for humans or for our entertainment, then by reading this book you will discover many edifying truths. Is God a Vegetarian? Richard Alan Young, 2012-03-30 Is God a Vegetarian is one of the most complete explorations of vegetarianism in the Judeo Christian tradition Young a linguistics and New Testament scholar attempts to answer the question being asked with greater and greater frequency Are Christians morally obligated to be vegetarians Many people are confused about the apparent mixed messages within the Bible On the one hand God prescribes a vegetarian diet in the Garden of Eden and the apocalyptic visions of Isaiah and John imply the restoration of a vegetarian diet However it is also clear that God permits Jesus partakes in and Paul sanctions the eating of flesh Does the Bible give any clear guidance Close readings of key biblical texts pertaining to dietary customs vegetarianism and animal rights make up the substance of the book Rather than ignoring or offering a literal twentieth century interpretation of the passages the author analyzes the voices of these conflicting dietary motifs within their own social contexts Interwoven throughout these readings are discussions of contemporary issues such as animal testing and experimentation the fur industry raising animals in factories and the effects of meat eating on human health Thirteen chapters cover such topics as the vegetarian diet in the Garden of Eden the clothing of the first humans in animal skins God's permitting humans to eat meat animal sacrifice the dietary habits of Jesus and the early apostles Paul's condemnation of vegetarianism as heresy the dietary views of the early church fathers the peaceable kingdom The author provides two vegetarian recipes at the end of each chapter An epilogue includes guidelines for becoming a vegetarian and a recommended reading list Insightful and challenging

Is God a Vegetarian poses provocative questions for vegetarians Christians and anyone reflecting upon her personal choices and ethical role in our world today

**Creatures** Tripp York, Andy Alexis-Baker, 2012-11-09 What is the purpose of animals Didn't God give humans dominion over other creatures Didn't Jesus eat lamb These are the kinds of questions that Christians who advocate compassion toward other animals regularly face Yet Christians who have a faith-based commitment to care for other animals through what they eat what they wear and how they live with other creatures are often unsure how to address these biblically and theologically based challenges In A Faith Embracing All Creatures authors from various denominational national ethnic and cultural backgrounds wrestle with the text theology and tradition to explain the roots of their desire to live peaceably with their nonhuman kin Together they show that there are no easy answers on what the Bible says about animals Instead there are nuances and complexities which even those asking these questions may be unaware of Editors Andy Alexis Baker and Tripp York have gathered a collection of essays that wrestle with these nuances and tensions in Scripture around nonhuman animals In so doing they expand the discussion of nonviolence peacemaking and reconciliation to include the oft-forgotten other members of God's good creation **Veejack** Robert F.
