will also be positively affected by your aura and the positive vibrations that you send out Just like a piece of iron you that comes within the magnetic field of a Super Magnet God on a daily basis one day you too will be magnetized and finally merge with the Super Magnet God We always give time to whatever is our priority and I can conclude with conviction that God is our Greatest Priority Can t we offer at least a few minutes daily to The One Who has provided us with Twenty Four Hours a Day Why forget Him who has given us everything God Bless All

Our Masquerade Ruth Hartman MACC,2022-06-02 Do you find yourself caught up in comparing yourself to others performing for acceptance or held captive to perfectionism You are not alone We all currently live in a world that seems to demand an acceptable identity especially exaggerated by social media It seems to drive us to compare how we look what we have and how we perform or fail to perform This leads us to question ourselves What if I fail to measure up What if I don t have what it takes What if I m not enough It seems logical to hide in safety behind clever masks or high emotional walls created to avoid the judgment of others or the feelings of inadequacy guilt fear or shame Yet that means you re trapped in hiding who you are often questioning your value and worth Our Masquerade invites you to confront your hiding places You can discover how why and where you ve learned to hide and once you ve done so you can say goodbye to tormenting thoughts and feelings that steal your confidence and your peace You can leave the past behind and find the pathway to escape into a life transformed This book will guide you to examine the ways in which life has induced you to hide and offers the inspiration to take off your masks escape your hiding places and learn to live with confidence

Islam, Modernity and a New Millennium Ali Paya,2018-02-02 As the world becomes increasingly globalised Islam faces some important choices Does it seek to modernise in line with the cultures in which it is practised or does it retain its traditions even if they are at odds with the surrounding society This book utilizes a critical rationalist viewpoint to illuminate many of the hotly contended issues in modern Islam and to offer a fresh analysis A variety of issues within Islam are discussed in this book including Muslims and modernity Islam Christianity and Judaism approaches to the understanding of the Quran Muslim identity and civil society doctrinal certainty and violent radicalism In each case the author makes use of Karl Popper s theory of critical rationalism to uncover new aspects of these issues and to challenge post modern relativist literalist and justificationist readings of Islam This is a unique perspective on contemporary Islam and as such will be of significant interest to scholars of Religious Studies Islamic Studies and the Philosophy of Religion
