the love that is provided by nature and see the love in all things around you **We are Risen 1** Grant Barlow,2008-07-18 This book is here for reproof I have written this book for the deceived church trapped in doctrines of dead men and beliefs held in the mind of separation This book will not be welcomed by those determined to say they are sinners against God but will be welcomed by those who want to remember how we are created in truth as innocent powerful offspring of the living God This book will heal your mind once you give yourself permission to read it and forget what sinners say about you for doing so This book will set your mind free to hear the One Voice and to make the One choice continuously Your time is UP and you simply must know your SELF the way you are known of God You are a Miracle waiting to happen The Trinity Saint Augustine (of Hippo),1990 A splendid translation made from a trustworthy Latin text of what is for some of us the foundation work of Christian theology He has fitted out his translation clearly the best of the four that have been made into English with notes that go well beyond the perfunctory and a 38 page introduction that is a delight to read Journal of Religion and Health Barry Ulanov *Free Love* Austin Kent,2025-08-26 Reprint of the original first published in 1857 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Awakening Through Love John Makransky,2007-07-17 Mother Theresa The Dalai Lama Nelson Mandela Gandhi Some admire such figures from afar and think How special they are I could never be like that But as John Makransky teaches the power of real and enduring love lies within every one of us Awakening Through Love teaches how to enjoy a life imbued with that love through Buddhist methods for cultivating genuine caring and appreciation for others Makransky is a fully qualified guide to this practice a professor of Buddhism and Comparative Theology at Boston College and a father of two he is also a close student and colleague of Lama Surya Das who provides the foreword here Above all he radiates an earnest and genuine caring both in person and on the page Rooted in Buddhism s Dzogchen tradition Makransky asserts that love is part of the very nature of our being and that if we can clear away the delusions that obscure our true nature love will flow to and from us effortlessly Awakening Through Love imparts meditations for both gradual cultivation and direct insight Makransky also provides a uniquely convincing and moving presentation of the role of a teacher or benefactor in deepening our spiritual path Part of the brilliance of Awakening Through Love is that it finds what is universal in Buddhist ideas and practices and renders them usable for a general audience with many references to ways that Christians and others can adapt the methods to their own traditions Peppered with inspiring contemporary stories the book will leave readers feeling more open more inspired and more engaged

Conjugal Love Emanuel Swedenborg,2013-11-19 This work published in 1768 when Swedenborg was eighty years of age was the first of the author s theological works on the title of which his name appeared It treats of the relation of the sexes of the nature and origin of love truly conjugal and of its indissoluble nature of the marriage of the Lord and the Church and its correspondence of the spiritual conjunction of partners in true marriage of the change effected in both sexes by marriage of

the causes of disaffection separations and divorces of the causes of apparent love friendship and favor in marriage and of iterated marriages To which is appended a treatise on Adulterous or Scortatory Love in its various degrees showing it to be in its nature the very opposite of Conjugal Love *Awakening to Love* Simon Herfet, 2018-11-21 This book is about the reason for your being here in this life in this body in this now moment For the present time is one of a cataclysmic shift in consciousness never seen before in your history on this planet This shift is one from a sleeping state of humanity's mass family consciousness to one of great awakening to a higher consciousness of connection to the one spirit which permeates and gives life to all creation in your universe This is a time long prophesied as this one shared higher consciousness awakens in you towards the realisation of the beauty and clarity of who you all truly are For who you are is pristine perfect consciousness Never tainted by anything which you or your ancestors have ever said or done including lifetimes long preceding this one in which you now find yourselves This book is presented here as a call to each soul on the cusp of this awakening To quite simply help to remind each person that they are a magnificent radiant soul of love Connected to infinite wisdom And that they are now returning to this remembering long lost in the sands of time to help humanity move forward as a wave of awakened beings Sharing the one consciousness which once slumbered But now like a lion roars awake to facilitate and create the new world the creator has in store for Planet Earth
