Loves Beautiful Dream:

Love: A Sweet Poison Rahul Amin, 2025-03-31 Love A Sweet Poison is not just a book it s a revelation It peels back the layers of love to expose its darkest most dangerous side Love often seen as the purest emotion can also be the most destructive addiction stronger than any drug deadlier than any poison Through raw emotions deep reflections and thought provoking analogies this book explores how love can consume manipulate and shatter the human spirit From toxic relationships to the silent suffering of heartbreak from the illusions of forever to the painful reality of betrayal each chapter unfolds the bitter truth hidden beneath love s sweetness Why read this book It challenges the fairytale notion of love It unveils the psychological traps of toxic relationships It blends poetry real life insights and scientific analogies to depict love s impact It resonates with anyone who has ever loved and lost If you have ever drowned in the depths of love or struggled to break free from its chains Love A Sweet Poison will make you question everything you thought you knew about the most intoxicating emotion of all Perfect for readers who crave emotional depth raw honesty and a deeper understanding of love s hidden dangers About the Author Rahul Amin was born and raised in Bongaigaon Assam His journey into writing began as an unspoken dream a quiet passion he never thought he would pursue But life had its own plans A year ago his love for words turned into an unstoppable force leading him to write his debut book Love A Sweet Poison Inspired by personal experiences and a deep understanding of human emotions Rahul explores the raw and often painful truths about love His writing is a mirror to reality unfiltered honest and deeply relatable With this book he aims to shed light on the unseen scars love leaves behind and the silent battles fought in the name of affection Are you ready to see love for what it truly is

The beautiful and the dark side of a love story Adrian Gabriel Dumitru, The book is trying to define the beautiful and the dark side from a man and a woman that are in love of each other but not as theory but as a result of analyzing facts that are happening on the timeline of the love story It s a book about a fairy tale with 2 lovely characters that are not understanding but also are not accepting that the meaning of an abstract love or an imposible story is to enjoy only the beauty of what is going on The 2 people from the essays get lost so many times that not even the people around them can t see if the story itself is real or not But it s all a journey of accepting the beautiful and the dark side from the person that you love so much After the first period when you are blinded by love it comes the second episode when you see that you are not in love with a god but with a human being and just as you have millions of imperfections the same has also that magic person that you fall in love with It s a book that defines the fact that we should accept the things just as they are and love with an opened heart no matter what is going on The nice part is that the book is not a collection of imaginary stories but essays that talks about a real story between 2 adults that wants to redefine and also restart their lives but in the end just enjoy the fact that they met losing any expectation at all as the story to become a real one Today you are happy tomorrow you are not and the essays describes this in a very honest but also beautiful way all those amazing moments spent togheter

PRASAD R BATTU,2020-02-05 The myth says every marriage is decided in heaven If it is so why do we love another person first When God already knows why does He let us love someone else when He knows that it is going to be a disaster He would like to play with our life to have fun I am one of his victims he made me love one girl but my fate had different plans Some people say love can only happen once but I don t think it ends with one it moves from one to the other Yes I m serious it happened to me Sorry Sorry I didn t say my name I m Karthik Welcome to my world **True Love is Hard to Find** Dinesh Acharya, My Life, My Love, My Poems Melissa Ann Sizer,2013-06-21 This book is my survival guide I have written about abuse my MS family other people and nature in the many ways they have and do effect me I write as I feel and see These writings have freed me and may they guide you too **Happy be Thy Dreams** John Rogers Thomas,1859 The Little Book of Big Love from Heaven Stephanie Lynn Funk,2018-07-27 This book is about the authors journey over a six year period experiencing heaven in ways she never experienced heaven before realizing that heaven is not limited by our human concept of heaven If we open our hearts and shut down our heads we can experience heavens awesome love support comfort and even humor and fun Love & Light Clayton Tylor,2017-05-20 This book examines Swedenborg s spiritual experiences of Heaven and Hell from an esoteric perspective as a feeling the language of angels and spirits To perceive this spiritual feeling begins the regeneration process that develops an inner perception of celestial love as spiritual light When we can perceive love and light as a feeling as it expresses through our physical senses we can start to affect our own psycho spiritual development to evolve from a sensual to a spiritual feeling of conjugal love As we examine love and light as a spiritual feeling through heaven and hell we too begin to experience a deeper spiritual awareness which can initiate a personal communication with the Divine as a Conjugal Love experience With creative self expression as our goal we can take regeneration into our own hands to speed up our own evolution while we transmute the forces that block the spiritual feeling of the Brotherhood of Mankind and thereby together manifest the feeling of Heaven on Earth
