Loves Hidden Glory:

A Loving Life Paul E. Miller,2014-01-31 Having successfully helped readers develop a solid prayer life with the best selling release of A Praying Life author Paul Miller applies his expertise to an even more important issue love After all love is what holds all things together it s what we re looking for it s what we all need and it s what we must learn how to give But loving people is hard Our neighbors friends kids spouses and even our enemies require a relentless self giving demonstration of love that only God can produce within us Taking his cues from the perseverance and faithfulness portrayed in the book of Ruth Miller sheds light on a biblical portrait of love that is sure to give us hope and transform our souls Here is the help we need to embrace relationship endure rejection cultivate community and reach out to even the most unlovable as we discover the power to live a loving life Loves Me, Loves Me Not Laura Smit,2005-11 This well researched and accessible book

explores the experience of unrequited love in light of the biblical witness to God s love for humanity **The Christian's Friend** Anonymous,2025-07-23 Reprint of the original first published in 1874 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Love's Redeeming Work** Geoffrey Rowell,Kenneth

Stevenson,Rowan Williams,2003 There is a rich vein of writing within Anglican tradition that has helped to form the theology and spirituality of the contemporary church For many readers much of this material remains unfamiliar and is often difficult to access Love s Redeeming Work draws together the works of major writers from the sixteenth century to the present day who have contributed to this development Each selected writer is introduced with a brief biography which gives background information about the author and highlights the relationships that existed with others from the same period This will enable the reader to set the writings in their proper context enhancing understanding of the material The selections then follow In some instances these may be familiar but other examples will introduce fresh ideas for every reader Each writer s selection is concluded with a list of source texts which can encourage readers to explore in more depth those areas which intrigue and excite them Love s Redeeming Work traces a path that has enabled Anglicanism in particular and the wider church as well to develop an ever deepening awareness of the need for a spiritual depth in the Christian life informed by a better knowledge of tradition In exploring this material it is the compilers hope that readers will find new riches that will encourage and sustain their own quest for holiness **Triumphant** Elizabeth J.F. Vejar,2022-11-10 Your walk with Jesus is uniquely yours Your

gifts and talents physical attributes and limitations have been selected specifically for you At first breath you were given free will from your Creator allowing you to make choices each day to trust and obey Him or go another way perhaps your own way We all fall short of God s perfection that is the truth But we can choose to live an obedient life here on earth that brings forth glory to our Father in Heaven When we choose to obey his word promises us glorious rewards that await us in his kingdom to come In this book you will discover different areas in life where God calls us to obey because He knows it is good

for us He is not up in Heaven waiting for us to make mistakes but graciously and mercilessly carries our brokenness back to the cross to repent and turn our hearts back to Him This gift of forgiveness lies within Christ our Savior and deep within the pages of the Holy Bible The scriptures of truth and obedience have been brought to life here in this book Triumphant

Sermons Preached at Brighton Frederick William Robertson, 1873 **God on Trial** Paul K. Moser, 2025-09-30 Moser a distinguished philosopher and author of a dozen books continues his quest to find an authentic credible philosophy of religion He asks Can we trust God How do we know that God is benevolent Are there any proofs that God means well and wants us to be well Part of being human is testing the divine Moser asserts putting God on trial so to speak to see if our faith in life and in God is really justified In the end the author finds that we are in fact conscious of the goodness of existence and the proof of God s morality lies in righteousness among humans people s ability to cultivate virtue in and among themselves Human testing is invited by God so long as we use the standard of goodness righteousness suited to a God worthy of worship The book advances this neglected truth In other words God is always seeking to show us God s goodness and our own goodness is itself a vindication of God s Luther's Outlaw God Steven D. Paulson, 2021-02-16 In this third of three volumes addressing Luther s outlaw God Steven D Paulson says that readers will embark on the deepest hardest and most glorious of all God s ways of hiding God hiding a third time in the preached word or sacraments The third time is the charm not because humans finally awaken and get the essence of God God s preached word is not an act of human understanding It is a purely passive experience of receiving God wholly and completely in the absolving word that comes through the lowliest means of a sinful preacher Not only does this word come through a creature to a creature but through a sinner to a sinner The difficulty with grasping all of this is that God works entirely outside his divine law an outlaw God Luther is the one who saw this more clearly than any other because it happened to him just this way The preacher got a preacher and the sacraments that had once been organized by a legal scheme were set free to reveal and bestow God in the most hidden place of all How much more hidden could God be than in water bread wine and the mouth of a preacher Paulson s grasp of historical theological and hermeneutical scholarship is on full display in this volume but always in service of proclamation of the gospel Readers and proclaimers prepare to be provoked enlightened and inspired **Modern doubt and Christian belief, lects., tr. by H.U. Weitbrecht and ed. by T.L. Kingsbury** Theodor Christlieb, 1879 *Modern Doubt and Christian Belief* Theodor Christlieb, 1874
