Riddles of Belief...and Love: A Story Lin Zhe, 2010 Beijing based writer Lin Zhe's novel Waipode Gucheng on which this translation is faithfully based paints an unforgettable picture of an ordinary family caught up in the maelstrom that was China's most recent century Her narrative ranges across the entire length of China to California and back again to the battlefields of the Anti Japanese War of Resistance and the brutal struggle sessions of the Cultural Revolution But it always returns to this family's home in Old Town that archetypal old fashioned and vanishing place steeped in the traditions of South China Ms Lin examines the inner strength that sustains people's lives in their darkest hours when religious and political faith falter And yet a vein of irony and droll humor runs through this powerful story Lin Zhe's novel may be understood as a love story memoir history or allegory For the non Chinese reader it provides a rare and moving insight into Chinese lives in a century of fearsome upheaval
